

## BERLIN NOTE ACCEPTABLE

## Second Column Of U. S. Troops To Plunge Into Mexico

U. S. CANNOT ALLOW  
GERMANY TO DICTATE  
ENGLISH NEGOTIATIONS,  
SAYS THE PRESIDENT

Washington, May 8.—The American reply to Germany's submarine note was sent to Berlin today and will be given out for publication later today. It is officially described as being brief. It is understood to inform Germany as long as new instructions to submarine commanders are observed diplomatic relations will be continued but that the United States cannot allow Germany to dictate its negotiations with Great Britain.

While the German note has averted for the present, at least, a break in diplomatic relations, it was said today that the president was not satisfied with the apparent conditions attached by Germany. The United States stands by its demands that Germany cease her attacks on vessels in violation of international law, regardless of negotiations which may be carried on with Great Britain over the food blockade.

Some of his advisers wanted him to make no reply to the German note and only wait developments, but he is understood to have decided to send the new communication.

Secretary Lansing announced that the note was about 200 words long and would be given out today for publication in tomorrow morning's papers. He declined to discuss it.

The understanding in official circles is that the note tells Germany diplomatic relations will not be broken while the new orders to submarine commanders are respected, but reiterates that any negotiations between Germany and the United States cannot be conditioned on negotiations between the United States and Great Britain.

## LINER SINKING

(BULLETIN)

London, May 8.—It is reported that the steamship Cymric is sinking.

The Cymric belongs to the White Star Line and was for years in the passenger service between New York and English ports. She is a 13,000 ton vessel, 250 feet long and 64 feet beam. She was built in Belfast in 1898. The Cymric sailed on April 29 from New York for Liverpool. She had been in the service of the British government for some time. She had on board no passengers on her last trip.

GOOD ROADS  
BILL PASSES

Washington, D. C., May 8.—The senate today passed without a dissenting vote the Bankhead good roads bill to spend \$50,000,000 for construction of post roads on an equal expenditure by the states. The appropriation is \$10,000,000 for roads in National forests is included. It differs from the house bill.

URGE WILSON TO  
OPPOSE PREPAREDNESS

Washington, D. C., May 8.—A committee representing the American Colon Against Militarism, formerly known as the Anti-Preparedness Committee, visited President Wilson today to present arguments against big army and big navy programs and to ask him to declare against militarism.

Youngstown.—The Independent Order of Odd Fellows, Rebekah Assembly of Ohio, will convene in this city Tuesday, Wednesday and Thursday of this week.

## CONFERENCE OF POLITICAL SIGNIFICANCE

London, May 8.—Prince Von Buelow, former German Imperial Chancellor, has been summoned to headquarters by Emperor William, according to a dispatch to the Exchange Telegraph company, from The Hague. His visit, adds the dispatch, is said to be of great political significance.

MARRIED  
AT SIGHT

Mrs. H. Mercer Jordan.

Savannah, Ga., May 8.—Meeting H. Mercer Jordan, a prominent attorney of Augusta on the street here, Miss Margaret Palmer, of Freehold, N. J., accepted his proposal of marriage. They repaired to the municipal court where the ceremony was performed by Judge Orr, a friend of the groom. The couple laughed at the efforts of a companion of the bride to dissuade them from marrying.

VERDUN BATTLE IS RENEWED  
WITH VIGOR BY THE GERMANS

(BULLETIN)

Berlin, May 8.—(By wireless to Sayville.)—In the recent fighting on the Verdun front the Germans captured an entire system of trenches on the northern slope of Hill 304, the war office announced today.

London, May 8.—The Germans are continuing the furious offensive at Verdun, which gained them important ground both east and west of the Meuse yesterday. They made no further advances during their attacks of last night, Paris declares, and in fact lost part of the territory won at the outset of their renewed drive in force on the defense fortress.

The principal German gain Sunday was northeast of Verdun, where a footing was gained in the French first line on a front of 500 metres between Haumont and Fort Dommarout. During Sunday night French attacks drove the Crown Prince's forces from one of the occupied trenches south of Haumont. Near Hill 304 northwest of the fortress, the Germans were ousted from a communication trench occupied during yesterday's drive. There is a lull in the fighting on the Austro-Italian front, with no advances by either of the opposing armies reported.

WANT STARS & STRIPES  
TO CONTINUE FLYING  
OVER THE PHILIPPINES

Washington, D. C., May 8.—Manuel Quezon, Philippine Commissioner, who has been urging Philippine independence, told President Wilson today that he and his followers had abandoned the idea of freedom in the near future and hoped congress would pass the house bill giving a greater share of self-government to the islands, but setting no date for independence.

Mr. Quezon urged the president to support the house bill and not insist upon the Clark amendment, approved by the senate, which would give independence by 1920. T. H. Yungoe, president of the Philippine chamber of commerce, saw the president with Mr. Quezon. The whole question was discussed at length and the president promised to consult with senate and house leaders.

Senator Clarke joined with Chairman Hitchcock of the Philippine committee today in asking the senate to accept the house amendment to the bill which makes no reference to a time for withdrawal of the United States from the islands.

Washington, D. C., May 8.—President Wilson today nominated Eugene E. Reed, of New Hampshire, to be a member of the Philippine Commission, succeeding Clinton L. Riggs, of Baltimore, who resigned some time ago.

NEED NOT  
CHANGE BOOKS

Columbus, O., May 8.—It is not mandatory for boards of education to change school books after they have been in use five years, so Attorney General Turner holds in a ruling given Frank B. Pearson, state superintendent of public instruction today. The attorney general also holds that no other officers may determine what books shall be used in the schools except in case of failure of the board of education to provide the pupils with such books.

ALL IS QUIET AGAIN  
AT SANTO DOMINGO

Washington, D. C., May 8.—Rear Admiral Caperton, commanding the cruiser squadron in Dominican waters, reported today that "quiet had been restored in Santo Domingo City and that General Arias, leader of the movement to depose General Jimenez as president of the republic, had surrendered the city."

Secretary Daniels said the three destroyers and two companies of marines enroute to Santo Domingo were expected to prevent further trouble.

TWENTY BANDITS SLAIN  
FOR EVERY AMERICAN KILLED

Field Headquarters, May 8 (by motor truck to Columbus, N. M., May 8).—The punitive expedition under Brigadier General J. J. Pershing has accounted to date for about 125 Villa bandits slain and for between 200 and 300 wounded. Meanwhile the Americans lost six killed, A RATIO OF TWENTY BANDITS SLAIN FOR EVERY AMERICAN LIFE LOST. THE WOUNDED HAVE SUFFERED NEARLY THIRTY CASUALTIES FOR EVERY AMERICAN HIT BY A BULLET.

While the expeditionary forces have not lost one officer, the Villa bands have had half a dozen of their leaders killed. The significance of this showing was that it was made against some of the most desperate fighters in Mexico, men whose reputations have ranked high among the military men produced by 5 years of Mexican revolution.

More important than the number of bandits killed, has been their complete loss of morale. Nowhere will they stand any longer to fight Americans. A few shots even on very advantageous ground and the bandits run, abandoning their good positions before the Americans are on equal terms.

Men here today from the Temohie fight, the last the Americans have had up to this date, said that in order to get Candario Cervantes bandits to fight at all it was necessary for Colonel Gen. A. Dadd, the American commander, to lead his men into action.

House Rejects  
Senate Plans  
For U. S. Army

Washington, D. C., May 8.—By two overwhelming votes the house today declined to agree to the senate amendment to the army bill, providing for a standing army of 250,000 men and a volunteer army of 241,000 pledged to thirty days' intensive training yearly. The first proposal was rejected 241 to 142, and the latter 251 to 109.

A discussion followed the votes on the senate's nitrate plant and favored by President Wilson, which was opposed by many Democratic and Republican members. Some leaders on both sides expressed belief that the proposal might be defeated.

Outstanding in the debate on the proposed army increases was the declaration of Representative Kahn, of California, that he was convinced foreign nations at the close of the European war would demand indemnity from the United States for losses to their citizens in Mexico and that it would be advisable to have a large army in such a situation.

Debate on the conference report began with a speech by Representative Kahn, ranking Republican of the military committee, approving the larger force and opposing the provisions of the house bill to increase the nation's guard.

He said it would be impossible to recruit the guardsmen proposed and endorsed sections of the senate bill authorizing an army of 250,000 men and for a volunteer army.

"Under the senate bill if the 250,000 men are not needed, the president will not enlist them. In the final analysis, congress holds the purse strings. They will tell you that it will cost a lot of money. It will not cost a dollar more than is needed.

AMERICAN CITIZENS  
AND SOLDIERS SLAIN  
IN A BORDER RAID

Washington, D. C., May 8.—A new American expedition may already be across the Mexican border in pursuit of the bandits who raided Glenn Springs and Boquillas, Texas, last week. Secretary Baker said today he had received a report from General Funston as to steps taken in that direction, but declined to reveal its contents. He said General Funston's original orders still stood, however, and they gave him authority to cross whenever the need arose. No additional report of the raid had reached the department at the time.

General Funston reported that three American soldiers and two civilians had been killed in another raid Saturday night by Mexican bandits at Glenn Springs and Boquillas, Texas, similar to the Columbus massacre which precipitated the American invasion of Mexico.

Hurried dispatch of additional troops to the raided district and possibly another punitive expedition were in prospect. Army officers considered it possible, though not entirely probable, that Villa might have participated in the attack which occurred Friday night.

Indications that more than 500 outlaws might be hidden in the hills south of the border were suggested in a message from General Funston.

It was believed possible some method of direct co-operation for the extermination or capture of the Glenn Springs raiders might result from the conference today between Generals Scott and Obregon at El Paso. General Scott reported to Secretary Baker that after the meeting today he expected the agreement would be completed in the light of these most recent happenings.

The war department has heard informally that General Carranza approved the Scott-Obregon plan with a minor exception, but just what part is not satisfactory has not been stated.

There was no indication at the department that the plans were in contemplation to increase the border force because of the Glenn Springs incident.

El Paso, Texas, May 8.—General Funston said today it would "not be proper" for him to disclose whether or not an expeditionary force was going into Coahuila in pursuit of the Mexican bandits. He did not deny there would be such a movement. He said, however, he believed that troops had "not yet" crossed the border.

## BORDER TOWNS ARE AROUSED

Columbus, N. M., May 8.—Deputies of the raid upon Glenn Springs, Texas, transmitted to American detachments along General John J. Pershing's line of communication, stirred them to a new activity, according to reports here today.

Townpeople in Columbus and in neighboring towns along the border were aroused by the reports and manifested a greater unrest than at any time since the raid here two months ago tomorrow.

Meagre unofficial reports from the expeditionary command indicated that detachments of cavalry are scouring the district for

agitations recently said to have been attempting to incite the Mexican populace to violence against the Americans.

At military headquarters, it was said that so far as known Major Robert L. Hawze's cavalry are still pursuing the remnant of the largest band in Western Chihuahua, remaining under Villa's standard.

The body of Albert Goodwin, a private of the 24th infantry, was brought here today. Goodwin was shot several times, according to reports, in a quarrel with a fellow soldier.

CLAIM GERMAN RAIDERS  
PROWL IN THE ATLANTIC

New York, May 8.—Captain Guy Gaunt, naval attache of the British embassy at Washington, today investigated the report that two German commerce raiders, accompanied by two submarines, are operating in the trans-Atlantic steamship lanes off the Azores Islands, about 1,800 miles from New York. The story was brought here yesterday by the Venezia of the Fabre line, from Bordeaux. Members of the crew said one of the raiders fired several shots at the Venezia on April 28, but was unable to overtake her.

Members of Hempstead Academy of Medicine held a meeting of considerable importance in the Carnegie Library, Monday, as the appointment of a committee to discuss the sentiment here relative to the erection of a 150 bed hospital was to be made. A committee was named recently to look into the matter and was to have made its report at today's meeting. Various phases of the new hospital project will be thoroughly discussed at this meeting.

## AL MAIER'S PLACE IS ROBBED; BOOTY SMALL

The wholesale and retail liquor store and beer agency of Albert Maier, at 441 Front street was broken into and robbed some time Saturday or Sunday night.

Entrance to the place was gained by "jimmying" the rear doors and removing the cross bar on the inside. The discovery was made by Patrolman George Harding Sunday night at 11 o'clock, he finding the rear doors open. It was found that one dollar in change was taken from the cash register and eleven dollars from a desk drawer. The money had been taken in after the office safe had been closed for the night. The safe itself was tampered with, the robber showing some knowledge of its combination and with but a little more effort he would have had access to a big sum of money which it contained. It is thought that the robbery was committed by someone familiar with the premises. It was impossible to tell how much, if any, of the liquor stock was taken.

The police are working on the case.

## OBITUARY

### James Sikes

James Sikes died at the home of his daughter, Mrs. Ed. Batterson, in Columbus, Saturday night at 9 o'clock, and the remains will arrive here on No. 16 train at Tuesday noon. The funeral services will be held in Wheelersburg and interment will be in the village cemetery on the hill. Friends in the city desiring to be at the depot on the arrival of the train, and all will go to Wheelersburg on 16.

James Sikes was the oldest son of Rev. Levi and Polly Sikes, was born in Harrison township in 1826, and lived his long life practically within the limits of that township. Only a few years ago he retired and went to Columbus to make his home with his daughter. He was a good Christian man and successful farmer, and leaves a comfortable estate. He is the last one of a large family of children, and the children were all born either in Harrison township or very near the line. He kept abreast of the times in all things pertaining to agriculture, also was in touch with politics, religion and all things looking to the better and bright side of life. His children are all finely educated, most of them now professional men and women. The Sikes family, in all its generations, has ever been prominent in educational circles. Mr. Sikes' wife was a Miss Parks, daughter of a minister, and has been dead several years. One of his daughters married a minister. Deceased was a brother of the late Colonel Thomas Sikes, whose late years were spent in Huntington. Judge Frank L. Sikes is a nephew of James, and Mildred Keyes is a cousin. The other relatives in Portsmouth and elsewhere are numerous. Mrs. Elsie Neary, wife of Edward Neary, of Harrisonville, is a sister, and the only person remaining of that generation of Sikes. His children are Charles, living in California; William, in Nebraska; Frank, in the state of Washington; Mrs. Susie Brady, in Oregon; George Sikes, in Cincinnati, and Mrs. Ed. Batterson, of Columbus. There is another daughter, Sadie, but her married name cannot be recalled at present.

Deceased was in the army during the civil war, serving in the One Hundred and Fortieth O. V. I. He was a man of positive opinions and not backward in expressing them, but kind and genial. News comes that Mrs. Susie Brady, the daughter living in Oregon, is seriously ill, practically at the point of death. This will be sad news to the friends of her youth. She will be recalled as a most beautiful and lovable young woman.

near as Superintendent William Weidner can learn, Clark was born in West Virginia, seventy-nine years ago and came to Scioto county at an early age.

For several years he worked on different farms in Bloom township and then during the winter of 1900 entered the county institution, where he remained until his death.

The funeral services will be held Tuesday afternoon at one o'clock. Rev. J. E. Gordon will have charge.

David Heehinger  
David Heehinger, aged 82, for 51 years a leading clothing merchant of Maysville, died at his home there Sunday evening, his death being caused by acute indigestion. Mr. Heehinger was well known in local business circles.

E. N. Wilson  
News was received here Sunday from Clay City, Kentucky, of the death of E. N. Wilson. He sustained a stroke of paralysis some two years since and has been gradually failing until his death. He was 77 years of age.

Edward N. Wilson was the oldest son of Jacob and Sarah Wilson, pioneer residents of Scioto county, who passed away a quarter of a century ago. Mr. Wilson's boyhood was spent on the Wilson farm at Slooan Station, near Sciotoville.

Mr. Wilson was a veteran of the Civil War. He and Capt. Creed Miltstead were comrades in the same regiment, but Mr. Wilson stated that Capt. Miltstead was a high-up captain. While he was only a "high private" of the front rank. In this he was wrong, as Capt. Miltstead states his title does not come from the military service, but from the river, he having commanded a river steamer.

After the war Mr. Wilson became an engineer and was for a time located at Scioto Furnace, going from there to Estill Furnace, Kentucky, where he had charge of the engines for many years, and also at Pittsburg, but for the past twenty-four years he has lived at Clay City, where he was held in highest esteem by all.

His popularity was attested by the fact that he served two terms as mayor of Clay City, although he was wont to laughingly say,

that he and the late James McKnight, also a comrade and Scioto county man, were "the only black Republicans in the city."

He was a prominent Mason, having served as a member of Kentucky Grand Lodge. During his last visit to Ohio, about three years ago he much enjoyed his visits to the Masonic lodges here and in meeting old friends of other days.

He was a member of the Presbyterian church. During his visit here he attended Trinity M. E. with his nephew, Harry M. Sikes, and he was enthusiastic over the men's big Bible class of Prof. J. H. Finney, and much enjoyed the sessions.

His wife and two sons and two daughters survive. The sons are James, who is located in Alabama, and Edward at home. The daughters are Mrs. George W. Vaughn, of Greensboro, Ind., formerly of this city for many years, and Mrs. George B. Anderson, of Mt. Sterling, Ky. One sister, Mrs. Margaret Sikes, and one brother, Charles M. Wilson, of Cincinnati, also survive him. Relatives in the city are the W. H. Fowler family, of Sixth street, Mrs. Fowler being a sister of Mrs. Wilson; Clarence and Morley Fout, of High street, and Harry M. Sikes, of Second street, nephews.

Frank Reiser  
Word was received here by relatives of the death at his home in Dayton, Ohio, Sunday evening of Frank Reiser, aged 54 years, a well known former Portsmouth blacksmith.

Mr. Reiser had been in failing health for several years past and six months ago suffered a paralytic stroke since when his decline has been gradual. He had moved to Dayton from Portsmouth three years ago.

He leaves a wife, Mrs. Effie Arns-Reiser and is also survived by the following brothers and sisters: John, Albert and Theo. Reiser, of this city; Mrs. Lena Sutton, wife of Bert Sutton; Mrs. Anna Palmer, wife of George Palmer; Mrs. Rosina Schoettle, wife of Louis Schoettle; Mrs. Alvin Schneider, all of Portsmouth, and Mrs. Barbara Hehl, wife of P. H. Hehl, of McDermott. He was a member of Portsmouth Camp, Modern Woodmen of America.

The body is expected to arrive here on a noon N. & W. train Tuesday and will be removed to the Albert Reiser home at Eighteenth and Offshore streets. The funeral will take place Wednesday.

Paul Edward Malone.  
Paul Edward, the bright little two-year-old baby son of Walter and Mrs. Blanche Malone, of Nauvoo, died Sunday evening after a ten days' illness with complications. Besides the grief stricken parents the baby leaves to mourn his death two sisters: Ruth, aged 6 and Dorothy, aged 4 years. The father is a well known employee of the Selby Shoe company. Funeral services will be conducted at the home by Rev. H. F. Caudill, pastor of the First Baptist church Tuesday morning at 9:30. Burial will be in Greenlawn cemetery.

GERMAN  
CONSUL IS  
INDICTED

New York, May 8.—Carl A. Luderitz, German consul at Baltimore, was indicted today by the federal grand jury charged with aiding Horst Von der Goltz, the man who has by his own confession, figured in several alleged German plots to obtain a false American passport.

The grand jury also handed down a new indictment against Wolf Von Igel, former secretary to Captain Franz Von Papen, charging him with conspiracy to defraud the United States by shipping lubricating oil to Germany falsely. Manifested as fertilizer.

## NEW YORK STOCKS

New York, May 8.—Shipping shares, the Mexican group, and a few of the motor issues recorded material gains today, with some irregularity in other parts of the list.

Initial prices on the resumption of trading today were substantially lower, with Germany's renewed activities in France causing some uneasiness. Mexican Petroleum, American Smelting and some of the active munitions and metals registered recessions of one to over three points, but these were soon regained under lead of Maxwell Motors and Texas company for which a general demand was shown. United States Steel was under moderate restraint, together with leading rails, while Erie was heavy. More even conditions prevailed later, shipping shares again becoming prominent.

Stocks pursued a more irregular course after the first rally, speculative issues, particularly Mexican Petroleum, Maxwells, Crucible Steel and Industrial Alcohol, reacting sharply with shipping shares, while rails became active at 1 to 2 point gains. The advance in this quarter embraced all the trans-continentals. St. Paul, Atchafalpa, New York Central and some of the eastern lines, was coincident with indications that Washington had agreed in effect to accept Germany's submarine concessions. Prospects of a favorable winter wheat crop also helped the movement in these shares. Bonds were steady.

Mexican Petroleum was the chief feature of the final hour, making an extreme advance of 5 3/4 points. The closing was strong.

DRIVES AUTO INTO ROPE STRETCHED  
ACROSS STREET; NECK IS BROKEN

Running his automobile into a rope barrier, which had been stretched around a new church, preparatory to laying the cornerstone, in Athens, Sunday afternoon, S. D. Thompson, aged 55, met a tragic death, his neck being broken. The rope had just been placed across the street to control the expected crowd.

Mr. Thompson, who was a brother of Mrs. Henry Kelso, of Fifth and Union streets, this city, and a son of John Thompson, who lives with Mrs. Kelso, was hurrying home to make ready to take part in the laying of the cornerstone.

Mr. Thompson was Past Eminent Commander of Athens Commandery No. 15, Knights Templar and was widely known in this section and along the Ohio river, where he ran on packets for many years in his early life.

Mr. Thompson had for years been one of the leading clothing merchants of Athens and was prominent in fraternal affairs in the city.

The deceased was about fifty-five years of age and leaves a wife and baby daughter, Margaret Ann. Henry Kelso left Monday for Athens. Mrs. Kelso and father, Mr. Thompson, will leave Tuesday morning to attend the funeral which will be held Tuesday afternoon.

The liveliest telephone wires in Portsmouth are those leading to the TIMES WANT AD department.

WINTER WHEAT CROP  
BELOW 1915 HARVEST

Washington, May 8.—The winter wheat crop this year promises to yield 400,000,000 bushels, the Department of Agriculture announced today, basing its forecast on the condition of the crop May 1. The output will probably be above or below these figures, according to the change in conditions from now until time of harvest. Today's forecast compares with 655,045,000 bushels harvested last year, the greatest winter wheat crop ever gathered in this country, and with a forecast of 540,000,000 bushels made last December, before the crop entered the winter from which it emerged in rather poor condition, showing a decline of 9.4 points compared with the 10-year average decline of 3.5 points. On the crop condition April 1 a forecast of 465,000,000 bushels was made by the Bureau of Crop Estimates, assuming average abundance of acreage and average influences on the crop to harvesting.

The area of winter wheat to be harvested is estimated at about 33,000,000 acres as a result of the May 1 canvass. The area planted last fall was 37,250,000 acres, a decrease of 4,250,000 acres from the record area of the 1915 crop and compares with a yearly average of 32,885,000 acres in the preceding five years.

The condition of winter wheat on May 1 was 82.4 per cent of a normal, compared with 78.3 on April 1 last, 63.3 on May 1 last year, and 190.5 the 10-year May 1 average. The 10-year May 1 average.

Spring Plowing: Was 70.4 per cent completed up to May 1, compared with 78.3 on May 1 last year, and 68.6, the 10-year May 1 average.

Spring Planting: Was 56 per cent completed up to May 1, compared with 65.3 on May 1 last year, and 55.9, the 10-year May 1 average.

late and the Hessian fly was reported present and active in many sections of the southern part of the winter wheat belt. Climatic conditions were harder on late sown, the winter covering was lighter than usual, and the injury from freezing and thawing greater than in previous years.

Other details of the May report show:

Rye: Condition 88.7 per cent of a normal, compared with 87.8 on April 1 last, 63.3 on May 1 last year, and 190.5 the 10-year May 1 average.

Meadow (Hay Land): Condition 88.4 per cent of a normal, compared with 87.8 on May 1 last year and 88.7 the 10-year May 1 average.

Hay: Stocks of hay on farms May 1 are estimated at 11,049,000 tons, or 13 per cent of last year's crop, against 8,408,000 tons, or 12.1 per cent on May 1 last year, and 100,000 tons, or 12.1 per cent, the 5-year May 1 average.

Pastures: Condition 85.2 per cent of a normal, against 87.2 on May 1 last year, and 55.9, the 10-year May 1 average.

Spring Plowing: Was 70.4 per cent completed up to May 1, compared with 78.3 on May 1 last year, and 68.6, the 10-year May 1 average.

Spring Planting: Was 56 per cent completed up to May 1, compared with 65.3 on May 1 last year, and 55.9, the 10-year May 1 average.

President Writes  
In Support Of The  
Brandeis Nomination

Washington, D. C., May 8.—"tribunal of the nation," wrote President Wilson's letter, giving his reasons for nominating Louis D. Brandeis for the supreme court and urging confirmation.

was read to the senate judiciary committee today by Chairman Culliver, but no vote was taken as had been expected and no time was fixed for one.

President Wilson characterized the charges against his nominee as "unfoundedly insinuated to any one who really knows Mr. Brandeis," and declared they "precluded for the most part from those who have heard Mr. Brandeis because he has refused to be servile to them in promotion of their own selfish interests, and from those who have heard him in the discharge of his duties as a judge."

The president added that the "propaganda in this matter has been 'very extraordinary and very disturbing to those who have faith and value the dignity of great professions."

The president said he had seriously considered appointing Mr. Brandeis to his cabinet three years ago and at that time examined his qualifications very thoroughly.

The president characterized Mr. Brandeis as a friend of all just men and a lover of the right. "I knew from direct personal knowledge of the man what I was doing when I named him for the

## THE MARKETS

## CHICAGO GRAIN

Chicago, May 8.—Wheat values took a decided upward swing today, influenced by the bullish nature of the Missouri state crop report and by weather complaints from the southwest. Opening prices, which ranged from 1/8 off to 1/2 up, with May at \$1.15 to \$1.16 1/2, and July at \$1.16 1/2 to \$1.17 1/2, were followed by material gains all around.

## AND PROVISIONS

Sales of wheat to go into storage here were succeeded by a general setback in prices. Announcement of the sending of a new note to Germany was made at about the same time. Prices closed unsettled, 1/2 to 3/4 net lower, with May at \$1.14 1/2 and July \$1.15 1/2.

Corn rose with wheat. Prospects of enlarged receipts, however, brought about a reaction. After opening a shade off to 1/4 up, and scoring slight general gains the market underwent a sag to well below Saturday's finish.

Ideal weather for planting had a bearish effect. The close was nervous at 1/2 to 1 1/2 to 1 3/4 net decline.

Oats were governed by the action of corn. There seemed to be no urgent demand.

Speculative call for hard strengthened the provision list as a whole. Lower prices on hogs were ignored.

Realizing sales set in later, and caused a decline.

## Do You Rent?

If you do, have you ever thought that you are buying the landlord's house not for yourself but for the landlord?

The average period of renting may be estimated conservatively at from twenty-five to sixty years of age, or thirty-five years. In this time a family will pay for rent:

	Actual Cash	With Interest at Six Per Cent
At \$10.00 per month	\$1,200.00	\$13,191.66
At \$15.00 per month	\$1,800.00	\$19,791.99
At \$20.00 per month	\$2,400.00	\$26,393.32
At \$25.00 per month	\$3,000.00	\$32,986.65

or, in each case, the actual cash is fully THREE TIMES the value of a property that would rent for a corresponding sum, and with the interest added the total shows a really appalling waste.

And yet every brick and every plank will still belong to the landlord.

Most homes are built or purchased with money that would otherwise have been sunk in rent or frittered away for trifles, hence ownership usually represents clear gain. Some say they will continue to rent until they can save enough to buy a home. But how few ever do so—few that you probably never heard of a single one. Yet, BY OUR PLAN, hundreds with no larger incomes, have paid for homes without excessive economy or hardship.

## CRAIGS BACK IN THE CITY AGAIN

James Craig and family are back in the city and authorities again find themselves confronted with the problem of looking after them.

Honorable Officer Harry Ball reported the family's return to the public safety department. Its officials called on William Weidner, county infirmary superintendent, but just as he did a few weeks ago, Mr. Weidner refused to accept them as charges, declaring that under the law he was not obliged to take care of an imbecile.

The parents have indicated their willingness to part with their imbecile son, Lundy, if the city or county will take care of him. It is claimed all state institutions are overcrowded and no room can be found for him in any of them. The mother has decided to go to Hardin to live with a sister. Mayor Kaps may send the husband and father to the workhouse, he recently suspending such sentence on condition that he and family leave the state. The two youngest children of the family are in the county children's home.

## Claims Road Destroyed; Asks For \$5,000 Damages

Henry D. and George Bahner filed suit against the Chesapeake and Ohio Northern railway, and Langhorn, Langhorn and Sued company, Sciotoville, Monday, in the court of common pleas, asking damages for 5,000, alleged to have been sustained by the destruction of a private road in building the new road bed for the C. & O. N. railway.

The petition avers that the plaintiffs built and maintained a private road along the banks of the Little Scioto river for several years and this road, which leads to their home, has been completely buried beneath a mass of rock and dirt. To construct a new road will entail the expenditure of between \$3500 and \$4000, it is claimed. Judgment for \$5,000 is asked.

Milner, Miller and Searl represent the plaintiffs.

PRESIDENT WILSON and every officer and every man in the Army and Navy urges every man and woman in America to see "THE BATTLE CRY OF PEACE"

To neglect one's liberty is to lose it. To neglect one's country is to perish with it.

"Peace-at-any-Price" for America means the price Europe is now paying.

Do you know that you and your family are not insured—against War

Do you want to learn the truth about our Army, Navy and Coast—Defenselessness?

Do you know that complete Preparedness is the only sure Insurance against war?

SEE New York shelled from sea and sky! Panic, terror, the exodus! Death and destruction showered on Wall St., Park Row, Fifth Avenue, Broadway! See a naval battle put all comprehension. Dreadnaughts in death struggle, Torpedoed, Smashed, Destroyed. Our fleet benten in battle, our forts destroyed, the iron heel of the invader on our soil—at your door—in your home! See the most beautiful sky-line in the world in flames, the metropolis of the western hemisphere devastated—the fall of New York.

SEE—THE MOST NOTEWORTHY ACHIEVEMENT IN THE HISTORY OF MOTION PICTURES—SEE.

# "THE BATTLE CRY OF PEACE"

-- A CALL TO ARMS AGAINST WAR --

Produced in 9 reels by the Vitagraph Co. in conjunction with the American army and navy, at a cost of one million dollars, over 35,000 people in the cast headed by Chas. Richman, James Morrison, Norma Talmadge, Roger Lytton, Secretary of War Garrison, Admiral Dewey, Major General Leonard Wood and many other notables—a picture that teaches a mighty lesson—the lesson of America's "Defenselessness", but with it all a heart interest drama that will stir your deepest emotions.

In such cases apply Sloan's Liniment. It stimulates circulation to the sore and painful part. The blood flows freely and in a short time the stiffness and pain leaves. Those suffering from Neuralgia or Neuralgic Headache will find one or two applications of Sloan's Liniment will give grateful relief. The agonizing pain gives way to a tingling sensation of comfort and warmth and quiet rest and sleep is possible. Good for Neuritis too. Price 25c at your Druggist.

Substitute Fireman. Lon Applegate, a former city fireman, has been appointed as one of the substitutes for the firemen's summer vacation period. He will report for duty at the Seventh street engine house Tuesday.

## GET IT FIRST—NOT LAST

When a cold grips your system it is convincing proof that your condition is weakened—remember that. It is risky indeed to simply trust your strength to throw it off, because neglected colds have brought more serious sickness than any other one thing, while weakening cathartics and stimulating syrups are often depressing and dangerous.

The one best treatment for any cold—the one so often relied on when others fail, is the powerful blood-nourishment in Scott's Emulsion, which feeds the very sources of bodily strength to suppress the present cold and generate strength to thwart further sickness. Get Scott's first, not last—and insist on the genuine—always free from alcohol and injurious drugs.

## Night Markets

The public service department announced Monday that the night market season would be inaugurated Saturday evening, May 13. Markets will be held every Tuesday and Saturday night on Gallia street.

Mr. and Mrs. John M. Doerr of Sixth street, who have been ill for some weeks past, are both reported steadily improving.

## NEW MEMBER IN UNION

George Clark, a bartender at Alf Ray's saloon, was admitted to membership in the Bartenders' Union at a meeting of that local Sunday afternoon.

## WHO FOUND RANDAG?

Even wild flowers are sometimes very expensive. Sunday afternoon while out with friends hunting flowers near the end of the paved street up Turkey Hollow just back of New Boston, Mrs. C. E. Gray, 1302 Union street, lost a black leather handbag containing a few dollars, all the money she had, and a child's bracelet, and gas and telephone receipts in the name of her father, W. B. Tomlinson. The loss was a severe one to her, and she would be more than thankful to hear from the finder by phone, or have the bag left at her home address or at The Times office.

DOUGLAS FAIRBANKS AS THE LOVER OF PRETTY LORETTA BLAKE IN "THE BATTLE CRY OF PEACE," LATEST TRIANGLE-FINE ARTS COMEDY.

Don't Miss This Triangle Program Tonight

In the Fine Arts-Triangle play, "His Picture in the Papers," it looked easy for Pete Prindle (Douglas Fairbanks) to get his portrait displayed on the front pages of all the New York papers—yes, it looked almost too easy. Here's what the hero actually did before he put through the proposition: Gained a half-interest in his father's firm and was awarded the hand of the girl he loved wrecked an auto and went to the hospital, was thrown off a train, put out a champion middleweight and fought a losing fight with two husky policemen. At last he won by fighting off a band of regiments and saving a train from being wrecked. In these days of strenuous advertising this comedy is interesting as showing how a man eager to attain notoriety may fall down time after time, only to attain it when he is not looking for it. Fairbanks makes an attractive picture as a lively youth who prefers a good, juicy beefsteak to the dainties of his rich father exploits through the press. He also has a preference for boxing instead of poring over books, so he gets in bad with his system-loving father. Then he meets the girl of his choice in a restaurant. He meets the father, expecting his congratulations on his engagement to the daughter. He is not ruffled at all when the parent tells him first to get a half interest in his father's business. The elder Prindle happens to be worked up over Pete's declarations and gives him \$100, with the offer of the partnership on condition that he get his picture in the papers. Then the fun starts. This is really one of the best "Triangles" so far, and in addition don't forget the "Keystone" comedy, "Better Late Than Never," with Willie Collier and dashing Mac Busch. Seven big interesting reels and all for the small sum of 10 cents.

Marguerite Clark in A New Play, "Out of the Drifts," At the Lyric Tonight

ent, thoroughly changes his mode of life and makes himself worthy of his truest love. Although the environment of "Out of the Drifts" is different from anything in which this star has ever appeared on the screen, it retains the same irresistible charm and the unforgettable personality with which Miss Clark invests every role which she assumes. The show will start at 6:30, 8 and 9:30 p. m.

are unguarded. They saw a foreign foe, efficient, deadly—march with brutal and amazing power through familiar streets, and—

They know we are unprepared. They saw Americans lined against a wall like tensins, and they saw a swivel gun make its sickening "strike," and—

They became champions of the cause for battleships—more battleships.

They saw the hand of the invading beast at the throats of women, and—

They hearkened to "the battle cry of peace."

That was the name of the production—"The Battle Cry of Peace"—and a shrill and terrible cry it was. It is still ringing in the ears of those who gripped the arms of their seats last night at the Olympic theatre and watched with eyes that grew dry in their sockets the ferociously significant handwringing on the wall.

Written by a Naval Man. "The Battle Cry of Peace" was written by Commodore J. Stuart Blackton, after he had read Hudson Maxim's "Defenseless America." The book burned its way into his soul and he took a still mightier torch and is burning the same message into the minds and hearts of Americans.

The message is one that has been heard before—"Prepare!" But this time its true meaning came with a shock that struck at the throat and at the pit of the stomach and at the heart itself.

At The Exhibit. "The Intervention of Tito," is the title of chapter five of "The Iron Claw," thrilling Pathe serial. A parrot plays the important role in this number. Polly has learned to be most efficient in the use of the English language and when Margery is confined in a safe by Legar who gets away with a paper containing the combination which she hears Margery repeating and this saves the life of her mistress. And to cap the climax Polly upsets a lamp in the shack where Golden's secretary is imprisoned, causing a quick exit in which the secretary escapes. "Giving Them Fits" and "Bungling Burglars Burgle," are side-splitting American comedies.

At The Forrest. "Viviana," is a two reel American drama featuring Vivian Rich and others. The story is that of a wealthy young idler who lures a pretty girl to his apartments for evil purposes. He discovers his sister in an adjoining apartment with an actor. This brings about his moral awakening. He saves his sister and spares the young girl and later marries her. This is a splendid moral theme.

"Getting In Wrong," is a Beauty comedy. A man influenced with liquor gets mixed up in the wrong apartment house. "Reforming Rubbing Rose," is a feature Falsaff comedy. While a lady gossips from her back window the house nearly burns down.

At The Arcana. "Orders is Orders" is a two-part Victor comedy produced by Francis Ford. It shows the troubles of the policeman with the college boys, who think they own the town. It is one howling compilation after another. Featured in this rip-roaring farce are Mina Cumard, Ernie Shields, Victor Goss, Edward Clarke and Marc Fenton. "Lonesomeness" is a Lammie drama featuring Myrtle Gonzalez, Val Paul, Fred Church and Marjorie Lake. It is a

## Traffic Officers Begin Their Duties

Joe Stokley and Jim Goad have been assigned to duty as traffic officers entering upon their work Monday morning. The traffic officers will alternate in patrolling their beats. One will report at 8 a. m. and work up to 6 p. m. and the other report at 11 of the city building. Mr. Zuck had been parking it there for the past few days.

That even officials themselves are not immune against the rigors of the traffic law was indicated when Police Officer Johnson notified City Auditor L. A. Zuck to move his car from 8 a. m. and work up until 9 o'clock and vice versa, the arrangement providing that an officer will be on duty at the Gallia street esplanade from 8 a. m. until 9 p. m. The other officer will patrol Gallia street as far as Offshore.

# Officials Are Busy Trying To Unravel The Jordan Mystery

The county authorities have unearthed several important clues in the mysterious murder case of Mrs. Pamela Jordan, whose dead body was found in a blood-besmeared room of her home, Flat Woods, near Lucasville, Tuesday morning, which they believe will materially aid them in the solution. The several stories or confessions made by George, the little eight-year-old son, in which he first claimed his mother killed herself, then that his father had shot her and finally that he had accidentally shot her, perplexed the officials for several days. But since the last confession, they have adopted a new line of procedure and expect to uncover valuable evidence soon.

It is generally believed by the authorities that George has not told the truth, for there are several parts of his latest story which the officials claim cannot be "reconciled" with the facts disclosed at the home Tuesday morning.

The father, Roy Jordan, who was bound over to the grand jury without bond on a charge of murder in the first degree, still maintains that he is innocent but offers no plausible solution to the mystery. He still holds that his wife either met her death by striking her head against the bed or that "she had a terrible pain" in her head, causing it to split.

Roy, James and Fred, three of the sons, were sent to their home Saturday afternoon, but George will be kept in the county jail pending the investigation of his latest story, which the officials place but little credence.

Roy Jordan, Jr., the oldest son, walked to Portsmouth, from his home in the Flat Woods, Monday, to confer with Judge Thomas C. Beatty, probate court, relative to placing James, aged 13, and Fred, aged 3, his brothers in the Scioto County Children's Home pending the investigations of the murder of his mother, Mrs. Pamela Jordan. Judge Beatty granted the boy's request and will send for the two boys Tuesday morning.

In discussing the murder case Monday, Roy said he was unable to say whether his brother, George, was telling the truth in his latest story. "If pa shot her then he ought to be punished and if he didn't he should be released," he said.

The stock, the garden and the chickens will be cared for by Roy during his father's absence. Roy said that he had taken a job with Jerry Walker, Flat Woods and would work there during the day.

## NEW BOSTON

Supt. D. E. Roes has decided that commencement day will be on Friday evening, June 2. The exercises will be held in the Stanton avenue school auditorium and Hon. O. T. Carson, ex-state school commissioner will deliver the class address. He delivered the address to the 1915 class. The baccalaureate sermon will be delivered Sunday, May 28, probably in the school auditorium, as it is much larger than the Baptist church. Rev. Morris Bridwell will probably be selected. There will be a class of eight graduates this

year, as follows: Charles Kiser, Clay Skelton, Kenneth Taylor, Ralph Caudley, Chester Fitch, Gwendolyn O'Neal, Olive Chin and Hazel Maple. School will close on June 9.

Village Engineer Grover Kinley is greatly handicapped by the loss of a plat book which belongs to the village. Former village engineer Sam Harper claims that a New Boston property owner borrowed the book and failed to return it. Kinley would greatly appreciate its return.

Kelley Bros. moved their steam shovel to Grace street Monday. The street will be excavated within a few weeks.

Martin Hall, of the Hall and Emory butcher shop, of Gallia street, had his left wrist pierced with a meat hook Saturday. He was hanging up a heavy piece of meat when his foot slipped on the sawdust covered floor and in falling his wrist struck the hook.

The New Boston Stars won from the Steel Plant nine on Peebles diamond, Sunday, by a score of 8 to 3. Samson, for the steel men, was knocked out of the box. Lucas and Payton worked for the Stars, who won the game in the eighth inning by scoring five runs. On the Stars' line-up were Lucas, Payton, G. Payton, G. Semones, Tibbe, Chin, Wolfe, Simmons and Conley.

Excavating is being made for a sewer on both sides of Glenwood avenue, in York's Glenwood addition.

Council will meet tonight in called session to consider the change in width of West and Ohio avenues and to decide on the cut of Gallia pike through Peebles addition. Members of the Peebles Realty Company were notified Monday morning to be present at tonight's council session.

Joe Fitch, who has been conducting a butcher shop in his own building on Gallia street, near Glenwood avenue, has closed his shop and will work for his brother, Lawrence Fitch, Ohio avenue butcher, until he engages in some other business. Mr. Fitch contemplates going into the huckster business.

Thomas O'Neal, formerly representative for the Illinois Surety Company, is now representative for the National Surety Company, which company took over the Illinois company recently.

On account of their time being taken up with other matters, Messrs. Roy Smith and Curtis Pollard, who have been running the Thalian theatre, have decided to close the place, their last show being given Saturday night. The place will be rented to one of the several parties who are dickering for it. Rudolph Keuntz, owns the theatre.

Thomas D. O'Neal, clerk of council and school board, will start work as street car motorman May 15, when extra street car crews are put on.

George E. Williams, N. & W. shop employee of 3020 Walnut street, is moving to a new home in Long Meadow addition to Sciotoville. He will rent his Walnut street home.

Ralph Higgins, who has been employed as extra man at the Y. M. C. A., has resigned and has taken a position as truck driver at William Canter's grocery in New Boston.

## New Methodist Church Is Fitting Climax To Revival

As a fitting climax to the revival in the M. E. Tabernacle at the N. & W. Terminals, a church was organized.

Eighty-six persons united as charter members, forty-eight of whom were saved during the revival just closed. The charter membership is being held open for a few days for others who have signified their intention of uniting to help push the work for God at the Terminals. The spiritual side of the work is being pushed along old time Methodist lines and the Bible doctrine of "Holiness" as taught by the Bible and John Wesley is being preached and the people are being urged as of old to seek "the second blessing" to go on unto perfection.

Rev. King says he wants this church to be a place where people of all denominations who love God and believe the Bible from lid to lid will find a hearty welcome.

Rev. King says he is especially anxious that the people who come to Portsmouth from the little country home and church will find the little church at the Terminals "just like home."

The campaign for the new church building to take the place of the present tabernacle will be resumed with renewed vigor. A campaign for five miles of pennies has already been started. To every one raising eight dollars for the new church (fifty feet of pennies) a nice Bible is to be given. To the boy and girl under 18 years of age raising the most money for the new church, each \$5.00 in gold.

To the man and woman raising the most money, each a \$10.00 Bible.

A report of funds collected is made in the Sunday school every two weeks. A cordial invitation is extended to the people of Portsmouth to visit the Sunday school which is held Sunday afternoon at 2 o'clock and the preaching service following at 3 o'clock. No services are held Sunday mornings.

Last night closed the revival services. During the 18-day meeting 104 souls knelt at the altar, 101 claiming pardon, two the second blessing. Of this number 48 united with the church.

The last service will long be remembered by the people of the Terminals. Mrs. Shank sang "Keep In Sight of the Cross," which touched many hearts. At the request of a number of railroad men she sang as a farewell "Life Is Like A Mountain Railway."

Rev. Johnson and Mr. and Mrs. Shank won the hearts of all who heard them. As the service closed the converts stood in line while the congregation shook hands with them and the evangelist and singers as the old song "God Be With You Tell We Meet Again" was sung.

## Big Debate At Manly Church This Evening

The big debate of the season in Boy Scout ranks is on tonight at Manly M. E. church, being the fourth one held by the Boy Scout Debating and Literary Society this season. Troop 1 and Troop 8 will clash, the subject for discussion being—"Resolved: That athletics are detrimental to the true scouting program." Troop 1 will have the affirmative side, represented by John Salvary, better known as the "cyclone" in Boy Scout debating circles. Troop 8 with the negative side of the argument, will be represented by Richard Boyd. The judges will be Henry Cline, L. C. Murphy and Cecil Tidd. The debate will start promptly at 7:00 o'clock.

The regular scout meeting of Troop 8 will precede the debate, beginning at 6:30 o'clock with Frank Ehlerdt, chairman of the program committee, presiding. Below is a full program of the evening's events:

1. Business: Patrol reports, assignments, camping committee reports, Indian Day committee report, etc.

2. Reading of the East End Sport Extra—M. H. F. Kinsey.

3. What our troop was doing one year ago—Wm. Scaggs.

4. What our troop was doing two years ago—Harold Cummins.

5. Some facts about our magazine—A. W. Eisenhaug.

6. Short talk, "Scouting in the East End"—Frank Davis.

7. Piano Solo—Miss Mary Rudy.

8. Vocal Solo—Miss Margaret Pool.

9. Debate between Troop 1 and Troop 8.

This will be one of the best programs ever rendered by the progressive East End troop and the public is cordially invited.

Parents of Boy Scouts, are especially urged to be present. Scout Executive M. H. F. Kinsey will be present this evening to give a detailed account of the big encampment which will be held at Lucasville June 17th to 18th.

# TIMES COOKING SCHOOL OPENS WITH BIG CLASS

## MISS HANKO GIVES A BAKING LESSON; MUCH INTEREST BEING TAKEN

Program for Tuesday afternoon at 2:30:  
Subject "Food Standards"  
Menu  
Cake in Fireless Cooker, Old English Tartlets, Favorite Tartlets, Jolly Boys, Peach Short Cake  
Tuesday Evening  
"The Business of Housekeeping."

In her initial cooking lesson at The Times' Better Foods Better Homes school today in Kendall Hall, Miss Emma Hanko, cookery expert in charge, made a Betty Jane cake, macaroni American with cheese sauce and a beautiful fruit salad. Miss Hanko had a large and deeply interested class and the opening session of the school was in every way a satisfactory one. With charm and assurance and evident sincerity in her Better Foods Better Homes work, Miss Hanko won her audience from the very start. Her talk today was on "Food and Its Functions," and in her cookery lesson she is teaching many interesting and helpful methods.

### Makes Cooking Easy

She told her class that one of the essentials of a salad is daintiness in the preparation and that a factor of success in cake baking is careful measurement. It is not her aim to make this or any other cookery process a tedious and troublesome one. While she believes that the success of all cooks and more particularly young women who are just learning to cook is dependent upon the accurate following of recipes and the use of standard level measurements, she is going to show in her work here that all of this can be accomplished easily and without bother. Women of her classes will be convinced that this seemingly extra trouble, is when they have grown accustomed to it, really the surest and easiest method, while its chief value is its uniformity of results.

So much is said about the spending of money that Miss Hanko will touch upon this important subject in most of her lectures here. Her chief purpose in presenting this subject is not much to instruct as to provoke

MISS EMMA HANKO

thought on the business side of housekeeping. Miss Hanko will take up this subject at the evening session of the school tomorrow, and will also bake ice cream without melting it. This sounds like a fairy tale, and Miss Hanko says it is as good as a fairy tale come true. The evening class tomorrow to which men are especially invited, is like all of the others—free.

As announced by Miss Hanko the recipes for cheese sauce and Alexander salad demonstrated by her today at The Times' Better Foods Better Homes school is given below together with some other interesting recipes submitted by her.

Cheese Sauce—2 tablespoonsful flour; 2 tablespoonsful crisco; 1/2

teaspoonful salt; 1 cupful milk; 1 cupful finely cut cheese. Combine flour and crisco, add salt and pour in milk. Place on fire and when thickened add cheese. Stir until dissolved.

Alexander Salad—Remove the center of head lettuce to form a cup, and fill with chopped fruit. Grapefruit, grapes, oranges, etc., may be used. Serve with boiled cream dressing or with sweetened whipped cream if sweet salad is desired. Mayonnaise dressing may be offered but not served on the fruit. Garnish with a candied cherry, walnut meat or pistachio nut.

Chocolate Vienna Cakes—1/2 cupful crisco; 1 cupful sugar; 5 egg yolks; 4 squares chocolate; 1 1/2 cupful flour; 3 teaspoonful baking powder; 5 egg whites; apricot or orange marmalade. Mix ingredients in order given and bake in small tins. When cool remove small portion from center of each little cake and fill cavity with marmalade. Cover tops with marshmallow frosting.

Marshmallow Frosting—Melt one cup of fondant, add the white of one egg stiffly beaten and stir over the fire two minutes. Beat until right to spread. Flavor with vanilla. This frosting is never smooth. It is exceptionally good for chocolate cakes.

### AGED GRANDMOTHER

So Weak She Could Hardly Stand—Made Strong By Vinol

Right here in Portsmouth we have seen such excellent results from Vinol that it is a pleasure to know it is doing so much good for old people in other parts of the country.

Goodbridge, N. J. "My grandma was recovering from the grip and was so weak she could hardly stand, and as she keeps house for my father and myself, she could not get around at all. She had taken cod liver oil and many other medicines, but nothing seemed to do her any good. At last we heard of Vinol and tried it, and grandma commenced to feel better right away, and got strong very soon, so she gets around as well as ever. We all praise Vinol for it is a splendid medicine."

Myrtle H. Bonn. The reason Vinol is so successful in restoring strength to the aged is because of the rare combination of tonic iron, the curative medicinal extracts of fresh cod's livers, beef peptone and mild native wine. It supplies iron to the blood, quickens the appetite, aids digestion, promotes proper assimilation of food, and enriches the blood, and brings back the strength of renewed health.

## "America Must Christianize World or Fall"

To Give Real Aid To the Heathen We Must Give Them A New Heart, New Ideals, Says Missionary.

"Upon America rests the responsibility of Christianizing the world, for God is pouring into this favored country the wealth that has been taken from war-torn Europe. But unless America awakens to her responsibility and carries on this work, God surely will punish the nation, and strip it of the wealth that He has given it."

This was the sentiment of an interesting and instructive address yesterday morning to the members of Mr. George D. Selby's Bible class at Bigelow church, given by George L. Davis, who for years has been a missionary in the Orient. He is now in Portsmouth with his family, the guest of Mrs. Davis' parents, Mr. and Mrs. J. J. Kardin.

Speaking with an earnestness that impressed all with his sincerity Mr. Davis brought home to those present the new thought that God would use the accumulation of wealth in America as a store to carry on His work among those who have not heard of the Christian faith. There was general regret that his time was so limited that he could only give a glimpse into the real life of the Orient, and the difficulties that missionaries must meet.

Mr. Davis was among those who returned in 1902 to the spots where the Boxers had wrought ruin. At least two-thirds of the Christian natives had been killed, and almost every vestige of the buildings, schools and hospitals erected by the missionaries had been swept away. But undaunted, the missionaries started all over again, and have been meeting with genuine success.

As a sample of life in China, for the natives, Mr. Davis told of the courts. "It is the man who spends the most money who gets justice," he said. "The judge gets a salary about equal to that which he pays his chief clerk. Consequently he must depend on what he can get from those who come into his court, for his revenue. In addition there are a hundred hirelings, who also must depend on the litigants."

"Under such conditions is it any wonder that the following true story happened? 'A rich man gave a great wedding feast, and a certain poor man got drunk and running amuck, destroyed much property and

which 'justice' is administered in the native courts most of the foreign nations obtained concessions in Shanghai, where they administered justice through judges of their own nation. Thus the English judge would decide all disputes not only between Englishmen but between the natives living within the English municipality. The French and other nations would do likewise. Now the English, American and French judges alternate in sitting in one court."

Mr. Davis scolded the manner of living of the average "foreigner" in the big cities of China, saying most of them seemed to leave their ideas of morality behind them, and thus gave a bad impression to the natives. He said, however,

one redeeming feature was that their business standards were usually high. Mr. Davis closed with a plea to keep up the missionary work, saying that the time was at hand when China's future is being decided, and that it depends upon the Christian nations whether it be for good or evil. He said that education alone would do no good, but "You must remove the inheritance of centuries of darkness, and give the natives new hearts, and new ideals, before you can build up a really great nation."

There were 119 present at the Bible class yesterday and it is still growing. All men not affiliated with other Bible classes are invited to attend.

### FLOWER THIEVES AGAIN ABROAD

Bernard Sommer, of the Central Hardware Company, reported to the police that unknown miscreants had dug up by the roots and stolen some flowers and plants Sunday night that he had set out in the front yard of his home at No. 1740 Fifth street.

### THEATRICAL

#### Sun Theatre

Tonight is the night, "The Girl In Red" is in town in all her glory and she will hold forth at the Sun theatre tonight at 8:15. She is a charming bewitching little creature, full of life and go and plenty of vim. Many prizes are in store for those who care to pay her a visit. You may have seen all the big shows ever produced and you may have witnessed all the feature moving picture films, but your theatrical education is not complete until you see the "Girl In Red." The original definition of "fun" is found in the three acts of this play. A matinee will be given Wednesday.

## Moon Pitches Swell Game

Moon, the Athletic pitcher, was in rare form Saturday, holding the Tigers to four hits, and fanning nine batters. The Tigers were only able to register one hit for extra bases. This was Catcher Smith's drive to deep center in the fifth inning for three bags. To Athletics put up a swell game, both at the bat and in the field.

## Wiedemann Team From Cincy Defeated By Spencer's Leaguers

# Annual Census Of School Youth; Purpose Of The Law Explained

On Monday, May 15, there will have been commenced the taking of the annual enumeration of unmarried youth of school age throughout the state of Ohio.

The most serious difficulty that the enumerators meet with in their efforts to secure a full and complete census return arises from the fact that a great many people labor under the impression that "we are taking the names of school children" and either, through inadvertency or ignorance, and sometimes purposely refrain from returning the names of those from 14 to 21 years of age.

A census of school children is NOT necessary for the reason that school teachers keep full and accurate enrollments of their pupils.

Within the next ten or twelve days every house, flat and tenement in the city of Portsmouth will be visited by the census takers.

In order that the householders and heads of families may be fully

## THE TRUTH ABOUT RHEUMATISM

Doctors have more kinds of theories about Rheumatism and its causes than there are days in a month.

Some doctors make the claim that what you call Rheumatism is something entirely different; that it is a germ disease.

But you, who are bent and sore and stiff and doubled up with pain, and can't sleep or enjoy life—you know that Rheumatism is a very real thing to you.

You need, most of all, the treatment that has helped, and perhaps cured, more people of Rheumatism than any other—the one that goes to the seat of the trouble; that loosens up the stiff joints, eases the pain and eradicates the effete, poisonous matter which clogs up your whole system.

This treatment is DUBL-R—remember the name—the double Rheumatism medicine that is recommended and sold at Fisher & Streich Pharmacy and nowhere else in Portsmouth.

This volume of money is distributed annually to each and all of the school districts, pro rata on the basis of the enumeration we are now taking in pursuance of Section 7794 of the Revised Statutes of Ohio.

This distribution amounts to about two dollars per head so that if a full, fair and accurate count be had this city school treasury

## YOU CAN HAVE PINK CHEEKS

What causes the color to fade from pink cheeks and red lips? In a word it is thin blood.

When the flowing color in cheeks and lips is accompanied by a loss of brightness in the eyes and an increasing heaviness in the step, the cause is to be sought in the state of the blood.

A hundred causes may contribute to the condition of thin blood that is known as anemia. Overwork, lack of outdoor exercise, insufficient rest and sleep, improper diet, these are a few of them. The important thing is to restore the blood to normal, to build it up so that this color will return to cheeks and lips.

Dr. Williams' Pink Pills are the great blood builder and invigorator. They begin at once to increase the red corpuscles in the blood and the new blood carries strength and health to every part of the body. Appetite increases, digestion becomes more perfect, energy and ambition return.

A booklet, "Building Up the Blood," will be sent free on request by the Dr. Williams Medicine Co., Secaucus, N. Y. If you mention this paper, your own druggist will send you a box of Pink Pills or they will be sent by mail on receipt of price, 50 cents per box, six boxes, \$2.50.

will be enriched about \$1500.

It is to the interest of every citizen and taxpayer to render to the enumerators careful and courteous assistance so that Portsmouth may obtain her full share. Remember that every name withheld or hidden means a loss to the city and to the taxpayers of two dollars.

The enumerators are sworn officers of the state and should be respected accordingly.

Thanking the Times for its courtesy in the use of space for this explanation, and heads of families for their kind and courteous information that will be extended, I remain,

Very respectfully,  
J. W. MITCHELL,  
Supervisor.

## Will Paint Automobiles

Frank B. Pratt, painter and paperhanger, has taken up a new line of work in the painting line. Mr. Pratt has just completed the painting of E. C. Tucker's touring car and the machine looks like new. The many compliments he has received on the work has caused Mr. Pratt to take up the painting of automobiles and he expects to open an office in a Chillicothe or Gallia street room this week.

## TUCKS ARE LEADING AT TRINITY

Sunday, the third day of the "Nip" and "Tuck" contest at Trinity Sunday school showed the count two to one in favor of the "Tucks," the "Tucks" winning Sunday by a majority of seventy-six when the total attendance ran up to 1108.

With all the officers and teachers working this week with General Bridwell and his somewhat defeated and discouraged "Nips," they expect to come back strong next Sunday and even up the score by a win. The majority of the people, however—and that means all the "Tucks"—think that the contest is as good as settled right now. It is not expected that the "Nips" can ever again

## SUNDAY SCHOOL ATTENDANCE

The Bible school attendance Sunday suffered a decrease of 640. The total attendance was 6,281. Two weeks ago it was 8,000. Trinity, which attained a lead last Sunday, held onto first place this week with a good majority, being over the 1,000 mark.

Five schools kept above the 500 mark. Large decreases were noticed in the smaller schools. Vacation time is near at hand and the country is drawing many out of the city on week-end visits.

## GOOD WORKMEN NOW DEMANDED

No Room In Present Day Industries For Nervous, Run-Down Men

Today the man who is unfit and repeatedly asks for a day off must fall in at the end of the long industrial procession. The wheels of industry must turn steadily and be manned by men of health and brawn. The captains do not wait upon the health workers. A man's physical fitness is left to him.

Knowing this fact, R. Verbyrke took a short cut to physical efficiency. He is an assembler at the great Gram-Briston Motor Truck Co., and resides at 240 Harrison avenue, Lima, Ohio.

"I had a bad case of stomach trouble and indigestion for eighteen months," he told. "Nothing I ate would digest. It would lie there and the pain and weight around my heart almost cut off my breath at times. I did not eat any dinner and very little supper and my strength began to go. Still I got no better in spite of doctoring all the time. Often I would take dizzy spells and have spots before my eyes. My heart would run away when I laid down. I got but little sleep and had to lay off three or four days each month."

"A comrade at the plant, knowing I laid off sick a great deal, asked me if I wouldn't try a bottle of Tanlac to please him," explained Verbyrke. "And the way it brought me out pleased him as much as me. My stomach has not bloated a bit since the third dose. I again eat my noon-day lunch and enjoy supper. I never have a pain and my heart beats right. I have not had one dizzy spell. Bed looks good to me, for now I can sleep. I can work faster since I used Tanlac and I will lose no more time."

For nervous, run down, overworked men and women, Tanlac, the ideal tissue builder, tonic, appetizer and invigorant, has proven invaluable. Tanlac builds up the system, promotes digestion and proper assimilation of food, vitalizes the blood and brings back healthy color to the cheeks and real sparkle to the eyes.

Tanlac is being especially introduced in Portsmouth at the Fisher and Streich pharmacy where the Tanlac Man daily explains its merits.

Tanlac may be obtained in the following nearby towns: New Boston, E. H. Coburn; Sciotoville, Sciotoville Pharmacy; Bloomington, H. J. Gleim; Scioto, Stockham & Payne; McDermott, Ord Thompson; Lucasville, Dr. J. H. Cox; Stockdale, O. E. Emory & Co.; Jasper, J. W. Dewey; Picketon, R. B. Wilson; Oak Hill, Jenkins Pharmacy; Otway, J. ## MANLY CHURCH NOTES

The subject of the morning sermon was "The Roots of Sin." Rev. Gilliland showed that almost every form of sin in the human life can be brought under one of three heads: Sexual Passion, Sensual Pleasure, or Love of Money. All these tendencies are God-given, but through their abuse men are led into sin. We must watch and pray lest we yield to temptation and be led into sin.

The evening sermon was the first of the series on "Wasted Lives," the subject being "Lives Wasted Through Sinfulness." The text was the old familiar story of the Prodigal Son. Rev. Gilliland drew a vivid picture of how lives which might be of great service to God and humanity can be and are being wasted in sin. He gave examples from the Bible and from his own experience of men who have wasted their lives in that way. The ones who help us downward are the first to kick us and trample on us when we are down, and the ones who are quickest to give a hand to help us upward are the ones who have been warning us all the way along. In closing, a strong appeal was made to men and women to quit wasting their lives in

sin and surrender them to God and let Him use them in His service.

The regular monthly business meeting of the Young Men's Brotherhood will be held tonight at 7:30.

Tuesday evening at 7:30 a class for probationers will be started, and will meet every Tuesday evening in the church parlors. All probationers are expected to be present and any one else interested in learning more of the Methodist doctrines and church government is invited.

Prayer meeting as usual on Wednesday evening at 7:30.

The Ladies' Aid will meet Thursday afternoon in the church parlors. Mrs. George Mooney is hostess and the assistant hostesses are Mesdames M. E. Moore, Asa Moore, Joe Mitchell, Jim Miller and L. L. Magee. All ladies are invited.

The East Portsmouth W. C. T. U. will meet Friday afternoon with Mrs. John Davison, 1729 Robinson avenue. The assistant hostesses are Mrs. Charles Sheila, Mrs. Mary Bushaw and Mrs. J. D. Jordau.

## A SURE GERM KILLER

Druggists here are selling hycolite, a wonderfully effective antiseptic and germ killer. It is powerful, yet absolutely safe, because it is not an acid and cannot stain or blister. It simply acts quickly in all cases of infection. Too much care cannot be given to scratches, bruises, or hurts. Hycolite should be in every home and applied quickly when accidents occur. It is pure, dependable, and can be used for many purposes right in every home.

## Efficient Use of Gas In The Home

ARTICLE X—SELECTION AND CARE OF GAS RANGES

The Kitchen should receive more consideration regarding Sanitation than any other part of the house, and Kitchen Appliances Should Be Selected with Great Care. In Selecting a GAS Range the first consideration should be the Ease of Cleaning. The Burners Should Be Easy to Remove and there Should Be Free Access to All Parts.

The Top Burners Should Be Boiled in Strong Soda Water occasionally. If they are Drilled Burners, a Slender Ice Pick is very Useful for Keeping the Holes Open. The Velocity of GAS entering the Mixer Creates a Slight Vacuum at the Air Regulator, which causes the Primary Air to enter. If the Burner Holes are Allowed to become Clogged, there is Resistance at the Burner; the Velocity of the GAS is Reduced, and insufficient Primary Air is Admitted.

Furniture Polish applied to the Body of a GAS Range will keep it in Good Condition. If it is to be placed in storage or to stand unused for a period, some Light Oil should be Applied to All Parts Liable to Rust.

# Miss Dolly Wise

She is here to answer any and all questions concerning love, matrimony, troubles, woes, etiquette, etc. Inquiries should be addressed to Miss Dolly Wise, care The Daily Times, Portsmouth, O. Office Phone 68.

Dear Miss Wise—Will you please tell me where I can get a Panama hat cleaned and pressed? AN APPRECIATIVE READER.

At a cleaning and pressing establishment, millinery store or shoe shine parlor.

Dear Miss Wise—I saw an item in Saturday's Times which stated the county commissioners want to borrow \$10,000 to run the Children's Home another year.

I also read where they were granted permission to sell the home in whole or in part. Now why can't they get busy and sell two or three lots and use the money to run the home or sell the whole thing and rent a temporary home until they can buy or build a suitable home in the suburbs. It would be the height of folly to make the needed repairs to the present home and then sell or abandon it immediately thereafter.

## A TAX PAYER

Dear Miss Wise—I am twenty three years old and very much in love with a young man who comes to see me, but who does not show by his actions that he is any more than interested in me. What can I do to make him express his intentions? He is 25 years old and has a good position.

Anything you could do to draw the man out about the state of his feelings for you might compromise you in his eyes. Let him take his time to express himself. It ought to be some comfort to know that the man you love is interested in you.

Dear Dolly—Will you please tell me how to make a club sandwich?

To make a club sandwich toast slices of bread a nice brown and while hot spread with butter and put between the slices a lettuce leaf, some cold chicken cut in thin slices, a few chopped olives and pickles, some slices of hot crisp bacon, a layer of salad dressing, another lettuce leaf, and the other slice of toast. Many do not toast the bread, think the sandwich more easily eaten when the toasting is omitted. Others

again leave out the chicken. The sandwich is more easily handled when it is not so thick. The hot bacon is a distinctive feature.

Dear Dolly—I have been engaged to a young man two years and when he is out of town he goes with other girls. Is this right? I do not approve of it. Am I right to take this stand? Do you think he loves me if he disregards my feelings concerning this?

ENGAGED ONE. If you object he should not go with other girls. If he goes with them now when he is out of town, he will probably continue to do so after his marriage. An engaged man who loves the girl very deeply usually respects her wishes enough to give up other girls when she asks it.

Dear Miss Wise—What can I do to relieve the dry condition of

my scalp. HENRIETTA. You must supply the oil which the scalp is lacking and rub into it every day a few drops of castor oil or vaseline. Massage the scalp thoroughly and then brush the hair well.

Dear Miss Wise—I am crazy about a young man who has been calling on me for about six months. He is a fine young man and I'm sure he would make a model husband. The other night when he called he took my lily white hand in his and said I'd make a perfect wife. Before I had a chance to reply, my little sister came running into the room and that ended the conversation. Do you think he meant this as a proposal.

## ANXIOUS GIRL

The young man will renew his suit if he wants you to become his wife. This is not a matter to worry over. A man usually wants to marry the woman he thinks will make a perfect wife. Your part is to fit yourself to become the perfect wife of the kind of a man you want to marry. If this particular young man was not speaking for himself, remember that there are about 823,000,000 men in the world and there is some good in every one.

# SOCIETY

The Christian Endeavor Society of the Second Presbyterian church will give a "Get Together and Get Acquainted" social in the basement of the church Friday evening, May 19, for all young people of the church and their friends. Elmore Orisoffer, of Ironton, spent Saturday and Sunday here with his uncle and aunt, Mr. and Mrs. Oscar Rank, of Fourth street.

Rev. George P. Horst, of the Second Presbyterian church, has received an invitation to deliver an address at the Western College for Girls at Oxford, O., on Sunday, May 28th.

Rev. Thomas Rhoden was agreeably surprised Sunday when at about eleven o'clock twenty-eight of his relatives and friends, mostly from Portsmouth, came to his home back of South Portsmouth with well filled baskets containing all kinds of good things to eat. A table was erected under a big apple tree, and eating and music were the order of the day. It was Rev. Rhoden's birthday.

Meet Me At Nye's Fountain, 12th

There will be an entertainment by the Y. W. C. A. at the chapel of the Second Presbyterian church Tuesday night, at 7:30. A splendid musical program precedes the stereoscopic views of College Camp, Lake Geneva, Wisconsin. Miss Edna Stretch, who has attended a conference on these grounds, will give a talk on the slides as they are shown.

Are you planning a delightful vacation in some cool spot? Do you want to spend it with congenial friends? Why not see these pictures for yourself? Tell a friend about them and come.

The musical program is as follows: Four violins and piano—Mrs. Albert Wilhelm, Miss Alice Blake, Mrs. Earl Radlin, Miss Ruth Crawford, violins Miss Lottie Anderson, piano.

Vocal—Mrs. H. C. Bugh. Reading—Mrs. Lena Kline Reed. Piano—Margaret Stadler.

The Wednesday afternoon cooking lesson at 2 o'clock will consist of these good things: Bittern cake, Mrs. Salmon nut bread, Mrs. Schlotter pepperoni ice cream, Mrs. P. E. Selby.

Just one lesson after this one. Watch this column for notice of May Day Pageant, to be given on Saturday, May 20.

Mr. and Mrs. James Bull, the Misses Gertrude and Frances Bull and Mr. and Mrs. Sydney Bull, all of Ironton, and Mr. and Mrs. Charles Smith, Miss Margaret Smith, Mr. Harold Smith and Mr. Ross Fitzer, all of Columbus.

The social meeting of the Woman's Literary Club, planned for Friday at the home of Mrs. Samuel Horchow, has been postponed indefinitely.

Miss Mary Peebles has gone to Columbus to visit at the home of Mr. and Mrs. Charles Krotzenberger and will also visit in Wooster, O., before coming home and will be accompanied home by her niece, Mrs. H. O. Hunt, of Newtonville, Mass.

The All Saints' Frances Badger Guild will meet next Saturday afternoon at the home of Mrs. Harry E. Taylor.

Division 2 of the First Baptist Ladies' Aid Society will give a Kensington Tuesday afternoon at the home of Mrs. John Sowers, on Lincoln Hill.

Mrs. Harry Willard left today for her home in Wellston, after visiting at the homes of Mrs. Wells A. Hutchins and Mrs. James W. Bauman.

Miss Ruth Thompson will be hostess at Thursday afternoon's meeting of the Seicote Bridge Club.

Rev. and Mrs. E. Ainger Powell came home Saturday from Cincinnati, where they were guests of Bishop Vincent, while there to attend the May Festival.

The beautiful new organ at Bigelow Methodist church will be dedicated in the evening of May 18th, when Mrs. Wilbur Thoburn Mills, of Columbus, will present the program. The Dayton Ohio Journal tells of Mrs. Mills' beautiful playing as follows:

"These who were fortunate enough to hear the organ numbers played by Mrs. Mills at the English Lutheran church Tuesday afternoon under the auspices of the new Women's Music club, were given one of

the greatest musical treats that Daytonians have ever enjoyed. The possibilities of the splendid organ were realized to the full from the dauntless pianissimo to the grandest fortissimo. Mrs. Mills' selections were well adapted to show the many sidedness of her art and her playing was equally convincing in the great and dignified Bach Fugue, the wonderfully appealing "Supplication," the "delightfully rhythmic March by Guilmont, the popular and effective "Evensong" with its chime effects, or the colossal number with which the program closed, "Christ-mas," by the New York organist and composer, Dietrich. The last number is one of the most difficult and at the same time one of the most effective compositions in the repertoire of concert organists and received a magnificent interpretation at Mrs. Mills' hands. Her technique

was flawless, and even in the most difficult passages the listener felt the comfortable feeling that she was absolutely sure of herself. As one of our leading Dayton organists remarked to the writer after the concert, "She satisfies me completely, you do not feel that anything more could be done." Such perfect technique, good taste and temperament seldom found combined in one individual. Let us hope that Mrs. Mills will soon be heard again in Dayton.

During the last quarter of the Second Presbyterian Ladies' Aid Society flowers were sent to thirty-four families who had sickness or death in their families.

Mr. and Mrs. Charles Grassman, Miss Helen Grassman and George Grassman motored to Waverly today.

## Careful Ohio Mothers Stop Dosing Children for Colds

Instead of Internal Dosing, which Injures Delicate Little Stomachs, They are Now Using Plenty of Fresh Air in the Bedroom and a Hot Application of Vick's Vap-O-Rub at the First Sign of Trouble.

Cincinnati, Columbus and Dayton Mothers Report Results Following Trial of "External" Treatment.

Careful mothers everywhere have long realized that little children should be dosed as sparingly as possible. Still colds and cold troubles must not be neglected. This problem has been solved by those Ohio mothers who have tried the Southern treatment—Vick's Vap-O-Rub Salve. You just apply this over the throat and chest, and cover with a warm flannel cloth, leaving the covering loose around the neck, as the body heat releases the ingredients in the form of vapors. These medicated vapors are inhaled, with each breath, all night long, opening the air passages and loosening the phlegm. Vick's is much quicker than internal medicines, but the best part of it is that it is absolutely harmless, and can be used with perfect safety on the smallest child, as often and as freely as wished.

CINCINNATI, OHIO, Mrs. Fred M. Callahan, 1029 St. Gregory St., writes: "I have four sons, aged from sixteen months to seven years, and find

that your Vap-O-Rub has done them a world of good, in relieving attacks of croup and colds. My sister, who is subject to catarrh, gets better relief from your remedy than from any other she has used."

COLUMBUS, OHIO, Mrs. F. B. Hinds, 501 Bellows Avenue:—"We have used your Vick's Vap-O-Rub Salve on our baby, and we can recommend it to anyone who will give it a trial. It has saved our child from having a bad case of pneumonia."

DAYTON, OHIO, Mrs. W. E. Callon, 1514 Wayne Ave.:—"Vick's Vap-O-Rub Salve is all that you claim it to be. We used it on our four year old daughter to break up a cold that had been running two months, and had seemed to defy the best of our best doctors. I shall use it in all future cases."

The above are just a few of our many letters from Ohio people who have found Vick's Vap-O-Rub the ideal home remedy. Three sizes, 25c, 50c or \$1.00, at all druggists.

1649

### A BECOMING DRESS FOR MOTHER'S GIRL

1619. Girl's one-piece dress, with or without added pointed sections, with shield, and with sleeve in either of two styles.

As here shown, striped gingham in blue and white was combined with blue chambray. The yoke sections are stitched over the dress, which may be cut away beneath these parts if desired, or they may form a smart bolero if left loose from the dress. The sleeve is good in wrist length and smart and comfortable in short length.

The pattern is cut in 4 sizes: 4, 6, 8 and 10 years. Size 4 years requires 2½ yards of 44-inch material for dress without yoke sections. Serge, cashmere, challie, galatea, lawn, crepe, seersucker, linen and drill also are good for this style.

A pattern of this illustration mailed to any address on receipt of 10 cents in silver or stamps.

## COUPON

This pattern will be sent on receipt of 10 cents. Make number, name, address, etc., plain. Send to Pattern Department, Portsmouth Daily Times, Portsmouth, Ohio.

## More Violators Of Traffic Law Are Before The Mayor

Dr. Walter A. Braunlin was fined \$5 by Mayor Kaps in police court, Monday morning, for exceeding the speed limit Sunday evening.

When asked to enter a plea, the young physician inquired if no allowance was made for physicians responding to calls, saying that he was on his way to the hospital to see a patient at the time he was charged with speeding. He thought physicians were placed in the same class with ambulance drivers. The mayor told him that the law gave police patrols, fire apparatus and ambulances the right of way through all streets, they to ring their gongs constant-

ly, but seemingly no such provision was made for physicians. Besides, said the mayor, it would be better for one patient in a hospital to die than to have a half dozen others killed on the way, he telling the physician that he had driven his automobile out Waller street at break-neck speed, crossing Thirteenth, Fourteenth and Fifteenth streets at such a rate, that had any machine come in off the side streets, an accident would have been unavoidable.

The physician finally submitted to the inevitable by paying his fine, but asked if he would be permitted to secure a gong and if any particular kind was specified.

The mayor told him that he might secure a ruling from the city solicitor, but he doubted if physicians could be thus favored, though personally he would be agreeable.

George D. Selby was also before the mayor on a technical violation of having left his automobile stand in front of the Columbia theater Saturday evening. He was acquainted with the law which prohibits the parking of a motor vehicle within twenty feet of the entrance to any public building.

Lou Distel has also been ordered into court on a charge of operating a motor vehicle without a tail light.

## G. O. P. CLUB WILL HOLD MEETING TUESDAY NIGHT

Tuesday evening, the Scioto County Republican Club will hold a business meeting, at which arrangements will be made for the election of officers. A nominating committee will probably be appointed and a definite date set for the nomination and election.

This event will be one of the most interesting to be held by the organization. It is planned to have the nomination of officers at a convention where the usual rules of the "old time conventions" will hold full sway. Two tickets will be selected and then campaigns will be waged.

All members of the organization having membership books are urged to submit them to the temporary officers at the meeting.

John F. Eckhart, treasurer, stated Monday that the new names to be added to the roster would bring the total membership close to the thousand mark.

It is also expected that definite plans will be made to canvass the country precincts for new members a few days before the club election, so that the country members will have a voice in the election.

After the permanent organization is effected, plans will be laid for marching clubs, glee clubs, debates, smokers and many other entertainments.

## Married In Cincinnati

George B. Johnson, who formerly resided in this city, was married in the Queen City. Johnson gave Cincinnati Saturday to Miss Lottie Hill and they will make their home in the Queen City. Johnson was 33 and the bride is 22.

## To Inspect Local Camp

Commander Alex Frank, of the Ohio State Department of Spanish War Veterans, will be in the city Wednesday evening and will inspect the local camp of Spanish War Veterans. The meeting will be held in the G. A. R. hall, on Gallia street, and will open sharply at 7:30. Commander Frank B. Pratt, of the company here, is anxious to have the largest attendance of the season on this night.

## MADE FINE IMPRESSION

Rev. Elliott Field, of Hloboke, N. J., filled the pulpit of the First Presbyterian church Sunday morning and evening. He spoke to an exceedingly large audience last night and made a very favorable impression. Rev. Mr. Field has a splendid voice and he handled his subjects in a pleasing and forceful manner.

## Gets Fine Job

Charles E. Pratt, of Columbus, son of Frank B. Pratt of this city, has just accepted a road position with a theatrical equipment company of Columbus and will cover Ohio for his new firm. Mr. Pratt until recently was employed as operator for the Ohio Moving Picture Censor Bureau.

## ALSPAUGH

## REV. E. J. MEACHAM WILL SPEAK TONIGHT

With Rev. E. J. Meacham as the attraction at tonight's meeting of the Sunday School Congress of the First Christian church Bible school, a packed house is expected. Rev. Meacham, who has been in West Virginia for the past five weeks, arrived in the city today and was immediately hooked for a special address of the church tonight. The former pastor of the "church of the cordial welcome" is a special favorite with everybody in this vicinity, and his friends and well-wishers will be out in full force to greet him. His good wife arrived here Sunday and is the guest of Supt. and Mrs. C. M. Howland. All persons interested in the welfare of the Bible school are earnestly requested to be present tonight at 7:30, for Rev. Meacham will have a message that will do one good for weeks and months to come.

## Two Arteries Severed

Milton Wallace, son of Elmer E. Wallace, of 913 Offene street, is suffering with a very sore left hand. Several days ago, in getting a lawn mower down from a barn, one of the blades of the mower struck the back of his hand, cutting two arteries.

## FIRST CHRISTIAN CHURCH NEWS

The Young People's Branch of the W. C. T. U. will give a silver medal contest at Trinity Methodist church Monday evening at 7:45 o'clock. A silver offering will be taken at the door.

A demonstration of aluminum wear will be held in the basement of the church Tuesday evening, May 9, under the auspices of Section Five of the Woman's Union. Ladies may bring their husbands free of charge. Come and benefit yourself as well as the church.

Section Four will meet at the home of Mrs. Will Chime, 420 Campbell avenue, Thursday evening at 7:30 o'clock.

Section One will meet at the home of Mrs. Ica Ross, 423 Third street, Thursday afternoon at 1:30 o'clock.

Section Three will meet Thursday afternoon at 2 o'clock at the home of Mrs. F. W. Sheridan, 809 John street. All members expected to be present. Business of importance. Bring your thread and thimbles.

Section Five will hold their social meeting at the home of Mrs. Gerlach, 1522 Twelfth street, Thursday evening. Everybody

## Red Men To Have Meeting

Mark A. Crawford will leave Tuesday morning for Akron, where he will attend the Grand Council of the Improved Order of Red Men as delegate from the Davis Station council. The convention will convene Tuesday morning and will adjourn Wednesday night.

## The Infallible Sign

Mr. and Mrs. Dan Buckley have moved into the old Buckley homestead on Front street, east of Sinton. Mr. Buckley has remodeled the home.

## She starts like a Sprinter at the Crack of the Gun Jeffery Six

INSTANT response—spectacular performance—riding comfort and driving comfort—surpassing simplicity of design—these have made the Jeffery Six nationally known as the car which teaches you what the word MOVE really means. Step on the accelerator and the car is off like a sprinter at the crack of a gun—like a FLASH.

She picks up speed in a distance so short that you can't believe your eyes. You hit forty miles before you think you've hit twenty—and then—

Step on the accelerator. She'll have a new sensation. She literally leaps—like an eager thoroughbred—to tremendous speed in a moment.

Yet the motor is so quiet that men who haven't had their cars for more

than a few days almost put the self-starter out of commission by throwing it in when the car is standing still and they think the motor has stopped—when it hasn't.

And it's all velvety power and velvety speed. There is no vibration—no uncomfortable jolting—nothing but superlative riding comfort and driving comfort—because of the wonderful motor and simple chassis construction.

Have you seen the Jeffery Six? If you haven't—do it now. You gain nothing by delay. Our allotment is rapidly dwindling and the factory cannot increase its output.

The price is \$1450—and the amount of value, power and speed which you get for every dollar of that price is best shown by the fact that within thirty days after the first appearance of this car the Thomas B. Jeffery Company had to double its planned output of it—because of the immediate and extraordinary demand.

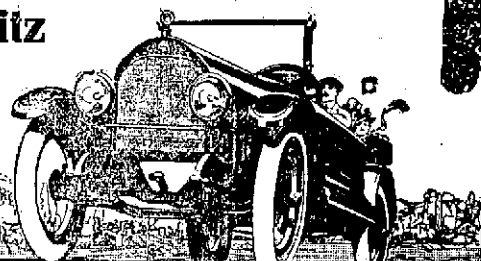

Come in and look it over—and ask us to demonstrate every claim we make.

## Gov. Willis Invited To Make Address Here "Fraternal Day"

June 26 was the day selected for the "Fraternal Memorial," and Governor Frank B. Willis will be invited to deliver the memorial address Sunday at a mass meeting of the members of twenty local fraternal orders, held at the Ben Hur hall, Fifth and Chillicothe streets. Prospects are good, it is reported, for about twenty organizations to affiliate with this movement before the day arrives.

The object of the "Fraternal Memorial Day" is to have all organizations in the city honor their dead upon the same day. The members of the orders will form a gigantic parade and march to Greenlawn cemetery, where a memorial address will be delivered. Then the individual orders will conduct their ritualistic ceremonies and decorate the graves of their departed brethren.

Roy McElhenny, chairman of the committee on arrangements, stated that he had been commissioned to invite Governor Frank B. Willis to give the address. Mr. McElhenny will personally deliver the invitation Tuesday while he is in Columbus.

"Fraternal Memorial Day" is a new movement in Portsmouth and was inaugurated by a committee from the local Tribe of Ben Hur. It is believed by combining the memorials, larger attendances can be obtained, as a majority of the members are affiliated with from two to five organizations.

Another meeting will be held Wednesday evening at the Ben Hur hall. Members of any fraternal organization in the city are invited to attend.

## Should Be Encouraged

The Richmond, Ind., item, in a current issue, said: "Motions to dismiss the charges of practicing medicine without a license which were preferred against Mrs. Will Converse and Miss Edith Cloyd, Christian Science practitioners, were filed with Judge H. C. Fox, of the Wayne circuit court, today. It was expected to dismiss the cases from the criminal docket."

Will W. Reller, prosecuting attorney, who filed the charges many months ago and who made the motion for their dismissal, said today that he is uncertain whether he did not do the two women an injustice when he filed the charges. The charges were the outgrowth of the death of a child in a family living in West Richmond, who, it is said, did not have medical attention during its illness.

Mrs. Converse, who since the arrest and release on bond, has moved with her son and daughter from the city, and Miss Cloyd, it was represented to the prosecuting attorney, attended the child.

The prosecuting attorney said that he had been observing the work that the Christian Science church is doing since he filed the charges, and he said he believes that the workers are to be commended for and encouraged in their work.

## TOO WEAK TO FIGHT

The "Come-back" man was really never down-and-out. His weakened condition because of over-work, lack of exercise, improper eating and living demands stimulation to satisfy the cry for a health-giving appetite and the refreshing sleep essential to strength. GOLD MEDAL Haarm Oil Capsules do the work. They are wonderful! Three of these capsules each day will put a man on his feet before he knows it; whether his trouble comes from uric acid poisoning, the kidneys, gravel or stone in the bladder, stomach derangement or other ailments that befall the over-zealous American. Don't wait until you are entirely down-and-out, but take them today. Your druggist will gladly refund your money if they do not help you. 25c, 50c and \$1.00 per box. Accept no substitutes. Look for the name GOLD MEDAL on every box. They are the pure, original, imported Haarm Oil Capsules.

## The Importance of Skin Care In the Springtime

Infectious skin diseases are irritating, unpleasant, unsightly and dangerous. There never was a greater mistake made than trying to cure such disorders with pastes, lotions, creams, rubbed on the outside. You can't cure skin diseases that way, because they are the direct result of infected blood, and you can't rub or soak poisons out of the blood. The annoyances of skin troubles are worse in spring than any other time. The perspiration that starts with the first warm days intensifies the smarting, burning sensation, and makes the trouble almost unbearable. There is only one way to relieve them, and that is through the blood, which must be thoroughly cleansed and purified. There is only one remedy that you can rely upon to do this, and that is

S. S. S., the surest and best blood cleanser known. S. S. S. acts with sure effect directly upon the blood—taken internally, it goes right into the blood vessels, drives out every bit of poison of whatever nature, kills the germs that starve and impoverish the blood, restores the skin to its proper condition and gives you healthy bone and tissue promptly to this efficient vegetable remedy. It doesn't matter how long you have had skin trouble, or if it has developed into chronic sores that you had given up all hope of curing. Take S. S. S. when all else fails. It brings relief. ## Tender Teeth—the first sign of Pyorrhea

When you brush your teeth, does it feel as though you were brushing against the quick? Do the gums sometimes bleed? This is because pyorrhea has caused the gums to pull away from your teeth, leaving the unenamelled surfaces unprotected.

Your dentist will tell you, if you ask him, that you have gum recession; and that gum recession is caused by pyorrhea.

Unchecked, pyorrhea will warp and shrink and deform the gums. It will break down the bony structure into which the teeth are set—and you will eventually lose them. To save your teeth you will have to begin to fight this dread disease at once.

A specific for pyorrhea has been discovered recently by dental science, and is now offered for daily treatment in Senreco Tooth Paste. Senreco combats the germ of the disease. Its regular use insures your

teeth against the attack or further progress of pyorrhea.

But Senreco does more. It cleanses the teeth delightfully. It gives them a whiteness distinctive of Senreco alone. Its flavor is entirely pleasing, and it leaves in the mouth a wonderful sense of coolness and wholesomeness.

Start the Senreco treatment before pyorrhea grips you for good. Details in folder with every tube. A two-ounce tube for 25c is sufficient for 6 weeks' daily treatment. Get Senreco of your druggist today, or send 4c in stamps or coin for sample tube and folder. Address The Senreco Remedies Company 503 Union Central Building, Cincinnati, Ohio.

## YESTERDAY AND TODAY

According to Col. E. B. Sawyer, of Hyde Park, Vermont, there isn't anything new in politics, not even the full blown crank, the uplifter and the well-farer. Colonel Sawyer is the sole surviving delegate of the convention that nominated Lincoln. The political prophet was there or thereabouts and he was busiest in nominating Seward, but the Rail Splitter won rather handsily. A great battle was on over a motion to incorporate the Ten Commandments in the platform, but a speech by George William Curtis killed it. Thus we see the origin of the Battle of Armageddon business, the boasting of the Bull Moosers about their cause being built on the Decalogue and the super-election of mankind.

The candidacy of Hon. William H. Middleton for a position upon the court of appeals will be received with interest by his friends in this section, where he formerly served upon the common pleas bench. Two years ago Judge Middleton made an unsuccessful race in the Republican primary against Judge Festus Walters, of Circleville, and it was generally expected that he would come again. It is expected that Judge M. F. Merriman, of Gallipolis, now serving on the bench, will be a candidate for the place, and it is possible that there may be other candidates. One surprising feature of the situation to us is that Scioto county, with the most important city, and some of the ablest lawyers in the district, does not have a candidate for the position. Certainly this county should be entitled to representation upon the bench.

Our friend Charlie Wynn, of the Picketon Republican is a man of few words, but those few are expressive, emphatic and right to the point. For instance they have a bond election coming on up at Picketon and some unregenerate son of Satan started the rumor that Editor Wynn was secretly opposed to the bond issue. Did Wynn wander around a column to explain his stand? Nay, not he. He just said "the report is a bald-faced lie, straight-out." Ample sufficient too.

We are hopefully looking forward to the gun using stage in the newspaper war now raging in Adams county over the county schools and various other things too numerous to mention. When one editor says of another as was done last week "the chronicle of his misdeeds would cause Judas Iscariot, Annanias and Benedict Arnold to turn over in their graves" it looks like there ought to be something doing of a real lively nature.

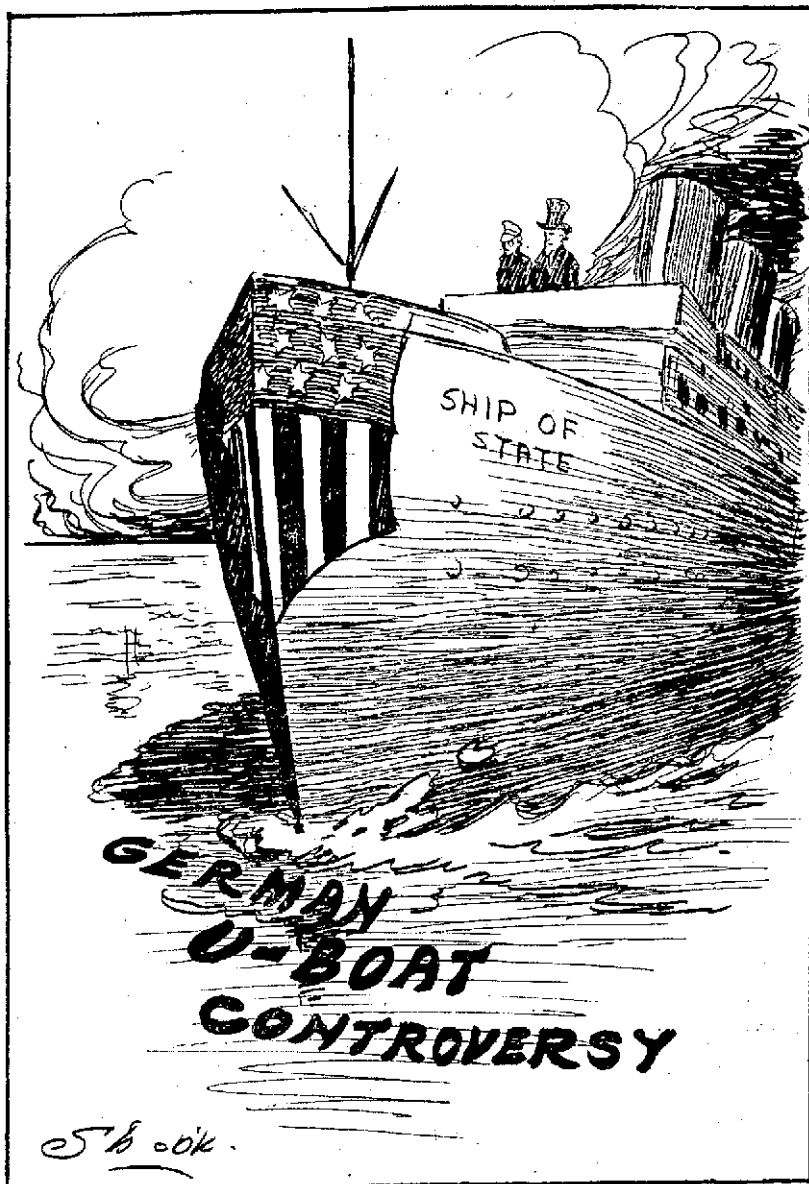

People are looking for bargains these days and they are reading the advertisements in The Times to get them. Thus Friday a merchant advertised a special on Lenox soup, quoting a price that left no doubt as to the genuineness of the bargain. Result, he sold 595 bars of the soup, or the entire stock on hand, before eight o'clock. The moral is, when you have a bargain let the people know about it through The Times.

A West Side man suggests to us that the authorities should look farther than the mere elevation of the tow path road to 52 feet. He says that there are at least four and possibly five places where the county roads will have to be raised in order to get any benefit from the proposed improvement as these places are flooded when the tow path is flooded at its present elevation. That will mean the spending of another sum of money if West Siders are to get benefited by the raising of the towpath.

We were down to McDermott Saturday afternoon and were struck with the manner in which the new N. & W. station looks up. It is a mighty neat affair and conveniently arranged. It impressed us all the more in that it was so much better looking than our own station. But then we should worry. We are going to get a new station "next year."

No, Millicent, at twenty-eight, don't class yourself as an old maid. A Chicago eugenic expert says thirty-two is the ideal age for women to marry, so just give it out you are holding out for the ideal. Meantime perk up and look your sweetest. Or next time lay your troubles before that gentle dispenser of balm, Dolly Wise, who knows all about these things and more.

## ONCE MORE IN A CALM SEA

It is time county candidates were trotting out their aspirations. Nominations for the primary must be made by June 8th. And by-the-way, there never was an election year in which talk of candidates was so scant, but be sure, patriotism isn't either dead or sleeping very soundly. There'll be enough to fill up the tickets.

The dove of peace got a toe-hold on the perch at a meeting of the West Virginia Republican state convention, Thursday, but, my, watch how the feathers will begin fly when the factions return to their camp and take a new "hold" for the offices.

It is a long ways to Tipperary, but from this distance that "Irish revolution" doesn't look to have been half as slurry as a Pittsburgh strike riot.

Chauncey Depew, now in his eightieth year, who used to be called "the peach", prescribes as the motive of long life "keep going." Quite true, quite true, but keep going is where all of us are going to fall down.

For the life of us, we can't make out what was the call for that confab between Scott and Obregon, if all turned out so lovely as is stated.

From a word here and there it might be taken the Herriek senatorial boom run up against a lamp post, or something like that the other day.

The Hon. George Sheppard was much worried during the municipal campaign, last fall about the police force. George can now give the proletariat some first hand information.

Just as a gentle reminder, we'll state the Times corn growing contest will close for entries on June 1, and that is just three weeks off.

As yet no opponent has been mean enough to say that Henry Ford will give each of his delegates a "John Henry."

For the love of Mike, look who's here. It's Nick Longworth and he's thinking of running for the senatorial nomination.

They have found Villa again, or at least his whereabouts. Let's hope there will be no other whereabouts to this one.

Silver is rising and gold growing relatively scarcer. Just keep your finger on that fact.

Outside the rather numerous strikes, the industrial situation was never more stimulating than during the week past.

Russia having nothing of our developed resources and little, if we believe ourselves of our progress and genius, built up and equipped army of millions in a year. This country can, at least, do as much as Russia and, more boasting, not half try.

The Philadelphia Press advises George W. Perkins to do something right away quick else the Colonel will be altogether off the Bull Moose range, where the pasture is getting brown and rather bare.

The Huntington Advertiser sarcastically observes that human beings move by instinct, just like other animals, and year after year they go to lawn fetes in the delusion that they will have a good time.

The appearance of the once renowned Teddy in the ring may, in a way, account for the "unknown birds" that the Republican party is discovering every day in its presidential canvass.

On no less an authority than himself, it can be taken there is no other official in Ohio, there never was and never will be, who runs his job right except Auditor Vic Donahay.

It may not have been much of a job the Grand Duke Nicholas was sent out to do, but the Turk feels he is doing it in grand style.

Having shown what she could do when she tried, now let May go placidly on according to her established reputation.

## BedTime Tales

## Old, Old Mud Pies

Do you ever make a mud pie? Of course you have! And you like to do it, too, don't you? Everybody makes a mud pie in their little paws; or flowers dropped off their stems and dropped

Well, sometimes when you are making a mud pie, smooth off the tops of your pies all nice and even. Then take a bit of a leaf, or a flower, or a twig, and lay it down on the top of the pie very firmly so it will leave a mark. Or, better still, if you have a pet kitty or a good dog who will do what you tell him to, take the front paw of the dog or the kitten and lay it firmly on the top of the mud pie till it leaves a mark—see?

Then go off and forget about your pie till it has had time to get very dry.

By evening, or the next day, you can pick up your mud pie and hold it in your hand and see the mark you have made in it with the leaf, or the flower, or the paw. Doesn't that picture you made in the top of the pie tell you a story of what you did when you made it? And doesn't it remind you of just what fun you had finding the flower or holding kitty's paw in the pie? Of course it does!

And you can save your mud pie as long as mother will let you, and every time you look at it, you will think about the fun you had making it.

Well, now, would you believe it?—the earth is full of mud pies that tell stories of things that were done hundreds of years ago—yes, thousands of years ago. Doesn't that seem wonderful?

Only these mud pies have been kept so long that they have turned to stone; stone with the pictures on just as they were the day they were made.

You know how hard your mud pies get in a day or two. So you can easily see that mud pies that have been kept hundreds of years must be as hard as hard can be!

Would you like to hear how those mud pies had pictures made on them?

Years and years ago, when the

stuff that is now rock was only mud, birds walked over the mud and left footprints (just as you made a footprint in your pie with your kitty's paw); or flowers dropped off their stems and dropped

Lay it firmly on the top of the mud pie till it leaves a mark

into the mud. Or maybe a leaf blew down onto the mud and left a mark, or a fish was washed up out of the river and lay upon the muddy bank.

And there they stayed—the flower print, the footprint, or the mark of a fish.

And the sun shone and made the mud harder. And the winds blew and covered the mud with soil.

And time and nature changed the mud into rock—but still the print of the flower or the foot or the fish stayed.

So that when men with their great shovels and spades now dig out those very same rocks, they can see the mark of the flowers and creatures of long ago. And these rocks that tell a story are called fossils; but, if you like, you may call them old mud pies, for that's what they are.

NEW-YORK-DAY-BY-DAY.  
BY  
O. O. MCINTYRE.

New York, May 8—Most of us like the baby in the advertisement are advertised by our loving friends. Art Young has just been given a dose of publicity by Arthur Brisbane. Says Mr. Brisbane of Mr. Young:

"Art Young will die pointing to tomorrow without having seen it, just as Marcus Aurelius died, or Carl Marx or Madame Roland, just as all the young, ardent souls will die with their longings unsatisfied."

Art Young was introduced to New York by Eugene Field, a pal of his early triumphs on Chicago newspapers. He is an ardent socialist and some say dreamer but he has his own convictions and sticks to them. He does not hobnob with the high brow art circles. He likes to mingle with the Bohemian crowd.

Although his work is in high demand, he is a regular free contributor to a socialist magazine. He was born in a little town in Wisconsin and worked in his father's grocery. At 17 he courted the district attorney's daughter, but he made a cartoon of her father that upset the romance somewhat speedily. He is fifty years old.

Another stage institution has vanished forever. The Irish monologist has followed quickly on the heels of the Hebrew monologist to the land of Nowhere.

Frank Fogarty, one of the old timers, is appearing on Broadway and his act has been cut down to just a few minutes when formerly he used to hold his audience a half hour.

He is still funny but his material isn't and unless he gets some zippy stuff he will no doubt find himself on the cheaper circuits.

Only Joe Welch remains of the old time Hebrew monologist, but he gets by because there is a certain pathos and art about his act that is not funny—it is mighty good acting.

Lee Kugel, the theatrical mug-nate, went down to Long Beach with his family over the week end. When he returned his hired girl, just over from Cork, was in high place.

"Mr. Kugel," she said, "come look at that gas range in the kitchen. I lit it last Friday night and it is still burning."

Mr. Kugel just faintly away. A mendicant was arrested last week and fined \$10 for begging. He had \$259 in his pocket. Another, just given twenty days, had \$485.21. This hoary old sinner, who has been twice before convicted, admits he has lived by begging ever since he came from Russia two years ago.

Despite the fact that the police have a mendicant squad and that there is plenty of work for all, Broadway is overrun with beggars. They are on every side and if they are turned down they grow early and threatening. Many of them wear good clothes, in fact much better than those from whom they solicit alms.

There is one mendicant on Fourteenth street, who sells lead pencils by holding out his crippled hands. At least he turned them about so they looked crippled.

After standing for about eight hours the other day he found that they were paralyzed. At the hospital it was said that the crippled position he held day after day had finally brought on a temporary paralysis. He will try a new game now, no doubt.

Marie Dressler is in a screen drama. She was putting the facials into a close-up.

"Look at her eyes, mother," said a little child in the audience, "you only see the whites. The folks don't show at all."

## Why They Disagreed

A newspaper man was on the witness stand and the attorney was trying to find out something about him.

"Where did you work last?" he asked.

"On the Milwaukee Sentinel," "Why did you leave?"

"The editor and I disagreed on a national political question."

"Where did you work next?" "On the New Orleans Item."

"Why did you leave?" "The editor and I disagreed on a national political question."

This was the reply in every instance, and the judge took a hand.

"What was this national political question?" he asked, "upon which you never could agree with your chiefs?"

"Prohibition,"—Exchange.

Firing The Cook, Maybe

Overheard in a southern hotel after a night of much disturbance caused by noisy domestics.

Wife—Oh! What is that explosion?

Sleepy Husband—I don't know. I hope they are discharging the servants.

Just Like a Woman

"Well, if that ain't the fact," mused the postman as he came down the steps of a private residence.

"What's the trouble?" queried the mere citizen who had overheard the postman's noisy thought.

"Why," explained the man in gray; "the woman in that house says if I don't come along realer, she'll get her letters from some other carrier."

A Bright Idea

"Some of the grandest discoveries of the ages," said the great scientist sonorously, "have been the result of accidents."

"I can readily believe that," said the fair lady. "I once made one that way myself."

The great man blinked his amazement. "May I ask what it was?"

"Certainly," replied the fair one. "I found that by keeping a bottle of ink handy you can use a fountain pen just like any other pen—without all the bother of filling it."

The Mean Thing

"And her mean husband thinks she's extravagant."

"Why?"

"Just because she insists on having Fido's monogram stamped on his dog biscuits."—Philadelphia Ledger.

Kept The Worst Till The Last

He just had been accepted. "Does your father know I write poetry?" he asked anxiously.

"Not yet, dear," she replied. "I've told him all about your drinking and your gambling debts but I couldn't tell him everything at once."

BULLETIN

Washington, May 8--A note to Germany has practically been completed and probably will go forward to Berlin today. It will be made public soon afterward. It is understood it will be brief, informing Germany that as long as the new instructions to submarine commanders are observed diplomatic relations will be continued but that the United States cannot allow Germany to dictate its negotiations with Great Britain.

# U. S. TROOPS, CITIZENS SLAIN

El Paso, Texas, May 8--Three American soldiers and two American citizens have been killed in another raid of Mexican bandits that takes rank with Francisco Villa's famous attack on Columbus, N. M. Whether the marauders were Villa bandits or Carranza forces is not known.

The bandits' foray, taking them through the southern limits of Brewster county in the Big Bend district of Texas, and taking in three little settlements near the border--Glenn Springs, Boquillas and Deemers--took place on Friday night and Saturday morning.

Within an hour after the raid preparations had been begun for adequate action. Major General Frederick Funston ordered that in all four troops of cavalry should proceed to the raided section to reinforce small detachments already on their way to the scene from Presidio, and other points.

While this was going on, ranchmen of the vicinity had heard the shooting and had hurried to the scene. Although few in number they formed an adequate reinforcement. With the badly wounded and dead disposed of, Sergeant Smith and his men joined in the fighting again and about four o'clock as dawn neared the Mexicans retreated.

This was five hours after the fighting began. The bandits rode toward the east until they came to Glenn Springs. There they looted a general store and killed the 10-year-old son of O. G. Compston. Then they proceeded to Boquillas, a few miles north of the Rio Grande, where they seized supplies and forage and rode on again.

Their next stop was Deemers. Here, according to the reports received in El Paso, they destroyed the general store of John Deemers. Then they crossed back into Mexico, taking with them Deemers and Louis Coy, a man in his employ.

It is believed that Deemers and Coy must have been killed after being taken to the Mexican side of the Rio Grande. Fifteen days ago the members of the Carranza garrison at Boquillas, the Mexican town just across the Rio Grande from Boquillas, Texas, suddenly disappeared. They have not been heard from since. There has been a suspicion that they might have deserted to the Villa forces.

Washington, May 8--Secretary Baker on his return from Cleveland today was prepared to act on General Funston's report that three American soldiers and two civilians had been killed in another raid by Mexican bandits at Glenn Springs and Boquillas, Texas, similar to the Columbus massacre which precipitated the American invasion of Mexico.

Hurried dispatch of additional troops to the raided district and possibly another punitive expedition were in prospect. Army officers considered it possible, though not entirely probable, that Villa might have participated in the attack which occurred Friday night.

Indications that more than 500 outlaws might be hidden in the hills south of the border were suggested in a message from General Funston. Officials hoped the new raid would help to hasten the signing by General Obregon, war minister for the Carranza government, of the proposed agreement under which United States troops might continue to stay in Mexico and co-operate with Carranza soldiers in hunting Mexican bandits. General Scott intimated that the agreement might be ratified soon.

This was thought, particularly desirable, considering that the latest assault of American troops came from the Big Bend section of northern Coahuila, a state in which General Carranza asserted his soldiers had full control. The apparent ease with which the raid was conducted gave rise to fears that it might be duplicated at a number of other localities where conditions are similar.

### BORDER TOWNS ARE AROUSED

Columbus, N. M., May 8--Details of the raid upon Glenn Springs, Texas, transmitted to American detachments along General John J. Pershing's line of communication, stirred them to a new activity, according to reports here today.

Townpeople in Columbus and in neighboring towns along the border were aroused by the reports and manifested a greater unrest than at any time since the raid here two months ago to-morrow.

Meagre unofficial reports from the expeditionary command indicated that detachments of cavalry are scouring the district for agitators recently said to have been attempting to incite the Mexican populace to violence against the Americans.

At military headquarters, it was said that so far as known Major Robert L. Howze's cavalry are still pursuing the remnant of the largest band in Western Chihuahua, remaining under Villa's standard.

The body of Albert Goodwin, a private of the 24th infantry, was brought here today. Goodwin was shot several times, according to reports, in a quarrel with a fellow soldier.

## GERMAN ARMY CORPS ENGAGED IN TERRIFIC DRIVE TO WREST DEAD MAN'S HILL FROM FRENCH HANDS

Paris, May 8--Fighting of great violence continued on the Verdun front. Furious German attacks near Hill 304 were broken by the French, the war office announced today.

The losses of the Germans are described as extremely heavy. The French attacked east of Hill 304 and drove the Germans from a communication trench which they penetrated yesterday.

East of the Meuse there was a series of night engagements. The Germans were driven from a trench south of Naudremont, which they occupied yesterday and thirty men including two officers were captured.

The offensive movement yesterday covered a front of two kilometers between Haudremont Wood and Fort Douaumont, costing the Germans important losses.

Paris, May 8--After seventy-seven days of battle, the Germans are now making a new attack before Verdun with another formidable army. Fighting, almost equal in violence to that of the beginning of the March drive, is in progress on both banks of the Meuse.

The fire of the Germans is being centered against Dead Man's Hill. Following the Napoleonic policy of attempting to turn what cannot be carried by frontal attacks, the Germans with a whole army corps, made the assault by way of the ravine between Hill 304 and Dead Man's Hill, seeking to crush in the French line along a front of one and one-half miles. The ground there is favorable for attack and the French commander, aware of the weakness of the position, placed one of his best trained army corps at that place. This corps disposed of the initial attack without ceding any important ground, but the battle is still raging and according to the latest advices the result will not be known until some time today.

East of the Meuse the Germans delivered four attacks on a front of two thousand yards, each advance being made by a different Prussian regiment. The fighting there is as fierce as on the other side of the river and as inconclusive.

Ohio--Thunder showers Monday afternoon or night, followed by fair weather. Cooler.

Indianapolis, Ind., May 8--A plank opposing all forms of militarism was adopted in the platform of the Indiana Socialists in the closing session of their state convention here last night. The convention also declared for equal suffrage and a law exempting all property up to \$500 for taxation. A full state ticket was nominated.

## AWAKE AMERICANS!

DO WE WANT WAR?

FIVE MILLION men in the flower of their vigorous manhood, maimed and crippled for life; legless, armless, blinded, shattered; hopelessly destroyed beyond repair.

FIVE MILLION MORE: Luckless, perhaps, than their broken comrades, rotting in shallow channel pits or on the war-torn, blood-soaked soil between miles and miles of hostile trenches.

TEN MILLION men--half of them dead, the other half--worse than dead.

FIVE MILLION FAMILIES, each burdened with a helpless human wreck until death removes the burden.

FIVE MILLION more families, deprived forever of the breadwinner.

TEN TO TWENTY MILLION WOMEN--mothers, wives, sisters--saddened, suffering--despairing.

MILLIONS again--peaceful, innocent non-combatants--old men, women, little children; starving, homeless, outraged, outcast.

THIS IS EUROPE'S WAR TAX ON HUMANITY DURING A LITTLE OVER ONE YEAR. NONE OF THESE AFFLICTED ONES WANTED WAR. NOT ONE WOULD HAVE PERMITTED WAR IF HE OR SHE HAD POSSESSED THE POWER TO PREVENT IT.

Satanic crimes, shaming the barbarism of the dark ages, have been and are being committed in the name of WAR. IF YOU HAVE A DROP OF TRUE AMERICAN BLOOD IN YOUR VEINS YOU WILL SEE

## Wiedemann Team From Cincy Defeated By Spencer's Leaguers

Taking advantage of the errors made by the Wiedemann team and the wisdom of pitcher Kunz, who pitched ten men, Manager Spencer's Ohio States defeated the Cincinnati gang in a 10-0 victory Sunday afternoon. The score was 10-0. But for an error the victors would have been blanked.

In only one inning did the visitors show any hitting strength, and this was in the sixth after the side should have been retired. The Cincinnatians made three runs and four hits off King in six innings and were held harmless and hitless in the last three innings by Ferguson, who was extremely effective, but was inclined to be a little wild.

More than 200 fans were present and they enjoyed the pastime. In a fielding way, Dillhoefer contributed a pretty catch when he picked a spiral off the grandstand and Manager Applegate of the visitors ran into deep left center and robbed Dill of a three runner when with all sails set he speared Dill's long and healthy wallop. The score:

### CLEVELAND PITCHERS SHOW SURPRISING CLASS AND TEAM IS UPSETTING THE DOPE

Left to right: Klepper, Coombe and Mitchell.

Cleveland fans are excited over the remarkable showing made so far by the Cleveland Indians, who were not thought to be capable of climbing above the second division. This Speaker has meant a great deal to the team, of course, but especially has the astonishing behavior of the pitching staff, which has shown much fast stuff to everyone's surprise. If Morton, Klepper and Coombe continue as they have started they will carry the team through to a glorious finish this fall. Mitchell is not yet in his stride.

## Outlook For Great Season Is Fine Says President Carr

"I am making a swing around the circuit to see that all the team are in good shape for the top of the bell on Wednesday," said President Joe Carr upon his arrival in Portsmouth Saturday evening. He conferred with Manager Spencer and President William N. Gableman and was assured that prospects for a splendid season were never brighter in Portsmouth than at present.

"The entire circuit looks fine to me and I predict the most satisfactory year in the history of the league," President Carr stated Saturday night. He visited Huntington and Charleston Sunday and was due to visit Lexington, Frankfort and Maysville today.

The local boys who made the trip are Trone, Ball, Locke, Jones, Alderman, Pontker, Ross and Klink.

It was the first time they had ever participated in such athletic events. They paid their own expenses but were entertained by the University while in Athens. P. H. S. had entries in all events except the 120 high hurdles and the broad jump. Klink finished fourth in the half mile run, his time being 2:25. Alderman finished fifth in the 220-yard dash, his time being 32 seconds. He also finished fifth in the shot put, his distance being 32 feet. All school and college records of the state were broken in the high jump a record of 5 feet 9 and a half inches being made.

Jones of P. H. S. was a hurdle ahead in the low hurdles but lost when he fell. The locals will host a track meet with Ironton next week.

## Crumbs Brushed Off Sport Table

Catcher Dillhoefer is popular with the fans. He got a fine hand when he stepped up to the plate for the first time Sunday.

Demore didn't have much to do at the third corner, but he had enough to show the carping fans that he is an aggressive little player and he looks them over fine at the plate.

Bauer at short made several pretty plays and looked good at the plate.

King looks like a real pitcher. He can hook them or zip 'em across and his control is almost perfect. He is big and willing and is going to stick.

McHenry rapped the ball hard almost every time. His one wallop almost hit the fence. Watch this "grayhound" this season.

Dill's fielded nicely and had his usual pepper. He was robbed of a triple by a spectacular, didn't know I had it catch made by Manager Applegate.

Come to think about it, few minor league first sackers play a nifter game at Corner No. 1 than Spencer.

Fee Woo Joe Bush almost blossomed into a tree on several plays he nipped in the hand. He pitched several hot ones, but the visitors always trapped

this "apron".

Fisher, a long rangy chap with a free stride, looks 'em over carefully and studiously. He is not bat shy and takes an all round swing at them.

The wag is always on hand. When four Cincinnatians encroached a puny little fly that fell safe the grandstand humorist cut loose with this one: "Too much Wiedemann."

Two more days and then the real stuff. We're ready.

Jack Dillon says he will fight Moran for \$10,000. Isn't that something? This Dillon boy is some ring artist.

President Carr says the auto races to be held in Columbus next Saturday and Sunday will be the greatest ever held in Ohio.

Over east fight fans are betting 10 to 8 Benny Leonard whips Johnny Dundee in their coming fight.

Catcher Dougan, who was recently sent to Mayville by the local team is playing third for the Cubes.

Christy Mathewson is out with the statement that his arm is all O. K. If this is true the Giants should win about 50 games all told this season.

The C. and O. special to Mayville Wednesday will stop directly in front of the ball park and all the fans will have to do is throw out their chests, buy a ticket and then out loose with their rooting. That's all.

Oxford, Ohio, May 8.—The Miami university field and track team won a victory over Denison university here Saturday afternoon 6 to 5.

Kantlehner of the Pirates blanked Chicago Sunday 1 to 0. Wagner and Zimmerman made a hit.

Cobb went hitless in Sunday's game for St. Louis. The Tigers made four hits, but won out 2 to 1.

Shotton lead off man for St. Louis Browns pined three singles Sunday.

Cleveland made it four in a row from Chicago. Cleveland overcame a two run lead Sunday and won out 5 to 2.

Speaker was up four times yesterday and garnered a triple and a single.

Of course baseball is dead. Only 24,000 fans saw Cleveland beat Chicago Sunday and 21,000 fans in Detroit saw the Tigers beat St. Louis.

Sister and Cobb each stole a base Sunday.

## P. H. S. SCORED ONE POINT IN BIG MEET

Portsmouth high school's first track and field team failed to make any kind of a showing at the annual Southeastern Ohio Interscholastic track and field meet held at Athens Saturday under the auspices of Ohio University. P. H. S. made one point which was scored by William Trone who came in third in the 220 yard, low hurdles, something in which he never practiced.

Pomeroy High won the meet with a total of 39 points. Some excellent records were made by the different schools. The silver loving cup and medals were carried off by Pomeroy.

Other schools finished as follows: Patekals 27, Newark 19, Harford 16, Chillicothe 6, Athens 5.

Athens High started strong but her runners were disqualified in the 100-yard and 220-yard dashes. Evans of Athens ran the 100-yard dash in 10-1-5. Roberts of Pomeroy won three firsts. Patekals made a great showing, but the Pomeroy team was too well balanced.

The local boys who made the trip are Trone, Ball, Locke, Jones, Alderman, Pontker, Ross and Klink.

## SHARMAN MAY RETURN TO CLUB

President Gableman Monday wired John McGraw of the Giants that he would take Ralph Shorman off his hands. Should Shorman return to the local team he would probably be used in some other spot than centerfield, which is being admirably patrolled by Fisher. Shorman is one grand ball player, and it is to be hoped that President Gableman is successful in acquiring his services.

## LOOKS OVER NEW PARK

Charleston, May 8.—President Joe Carr of the Ohio State baseball team was in the city yesterday looking over the local situation. He was taken to the new park, which is nearly completed at Kanawha City and said that it would be one of the best playing fields in the league and as good as any to be found in minor circuits. He stated that throughout the circuit the team looks good and prospects for a good season are bright.

NIXON SENT TO FIRST BY CUBS

First baseman Nixon, who was let out here ten days ago, has caught on with Maysville and has developed into that club's regular first sacker.

Team Made Road Club

The Wiedemann team will be a road club this year. Their park in Newport was recently blown down and Manager Applegate decided to make his club a road organization this season. The club plays August next boundary.

## Beers With Lexington

Biddy Beers is back in the Ohio State league. He reported to the Lexington club Sunday and promptly signed a contract to do the backstopping for this team this year. Beers is a catting good receiver, a heady player and will add strength to the Colts.

## NO CHANGE IN LINEUP

The way the Portsmouth team lined up Sunday against the Wiedemann team is more than likely the way Manager Spencer will send it against Maysville. The hitting strength is well divided and it looks like a well fortified team, both at the bat and in the field.

Will Issue Score Card

Walter Gableman will issue a fine little scorecard for all Saturday, Sunday and holiday games this season. It is already in the hands of the printer.

Is Former Ohio Stater

Manager Charley Applegate of the Wiedemann team is one fine fellow, and he has a gang of budding young ball players working under him. He is a former of the Andrews Steel company of Newport. He formerly played with the Newport and Paris teams in the Ohio State league.

# Officials Are Busy Trying To Unravel The Jordan Mystery

The county authorities have unearthed several important clues in the mysterious murder case of Mrs. Pamela Jordan, whose dead body was found in a blood-soaked room of her home, Flat Woods, near Lucasville, Tuesday morning, which they believe will materially aid them in the solution. The several stories or confessions made by George, the little eight-year-old son, in which he first claimed his mother killed herself, then that his father had shot her and finally that he had accidentally shot her, perplexed the officials for several days. But since the last confession, they have adopted a new line of procedure and expect to uncover valuable evidence soon.

It is generally believed by the authorities that George has not told the truth, for there are several parts of his latest story which the officials claim cannot be reconciled with the facts disclosed at the home Tuesday morning.

The father, Roy Jordan, who was bound over to the grand jury without bond on a charge of murder in the first degree, still maintains that he is innocent but offers no plausible solution to the mystery. He still holds that his wife either met her death by striking her head against the bed or that "she had a terrible pain" in her head, causing it to split.

Roy, James and Fred, three of the sons, were sent to their home Saturday afternoon, but George will be kept in the county jail pending the investigation of his latest story, which the officials place but little credence.

## More Violators Of Traffic Law Are Before The Mayor

Dr. Walter A. Braunlin was fined \$5 by Mayor Kaps in police court, Monday morning, for exceeding the speed limit Sunday evening.

When asked to enter a plea, the young physician inquired if no allowance was made for physicians responding to calls, saying that he was on his way to the hospital to see a patient at the time he was charged with speeding. He thought physicians were placed in the same class with ambulance drivers. The mayor told him that the law gave police patrols, fire apparatus and ambulances the right of way through all streets, they to ring their gongs constant-

ly, but seemingly no such provision was made for physicians. Besides, said the mayor, it would be better for one patient in a hospital to die than to have a half dozen others killed on the way, he telling the physician that he had driven his automobile out Waller street at break-neck speed, crossing Thirteenth, Fourteenth and Fifteenth streets at such a rate, that had any machine come in off the side streets, an accident would have been unavoidable.

The physician finally submitted to the inevitable by paying his fine, but asked if he would be permitted to secure a gong and if any particular kind was specified.

The mayor told him that he might secure a ruling from the city solicitor, but he doubted if physicians could be thus favored, though personally he would be agreeable.

George D. Selby was also before the mayor on a technical violation of having left his automobile stand in front of the Columbia theater Saturday evening. He was acquainted with the law which prohibits the parking of a motor vehicle within twenty feet of the entrance to any public building.

Lon Distel has also been ordered into court on a charge of operating a motor vehicle without a tail light.

## G. O. P. CLUB WILL HOLD MEETING TUESDAY NIGHT

Tuesday evening, the Scioto County Republican Club will hold a business meeting, at which arrangements will be made for the election of officers. A nominating committee will probably be appointed and a definite date set for the nomination and election.

This event will be one of the most interesting to be held by the organization. It is planned to have the nomination of officers at a convention where the usual rules of the "old time conventions" will hold full sway. Two tickets will be selected and then campaigns will be waged. All members of the organization having membership books are urged to submit them to the temporary officers at the meeting.

John P. Eckhart, treasurer, stated Monday that the new names to be added to the roster would bring the total membership close to the thousand mark.

It is also expected that definite plans will be made to canvass the country precincts for new members a few days before the club election, so that the country members will have a voice in the election.

After the permanent organization is effected, plans will be laid for marching clubs, glee clubs, debates, smokers and many other entertainments.

## TROOPS IN READINESS FOR COAL FIELDS

Charleston, W. Va., May 8.—Two companies of the West Virginia National Guard are being held in readiness for instant duty, owing to a strike of 700 coal miners at Rosemont, in Taylor county. Governor H. D. Hatfield was informed yesterday that trouble was threatened and a request was made that troops be sent. The governor said he would withhold ordering out the militia for the present, but instructed the captains of the companies at Clarksburg and Fairmont to hold their men subject to call. The miners ask for an increase in wages.

Several days ago, in getting a lawn mower down from a barn, one of the blades of the mower struck the back of his hand, cutting two arteries.

## MEXICAN RAID

(Continued from Page One)  
(BULLETIN)

Washington, D. C., May 8.—Secretary Baker stated today that the war department considers the agreement under which the army began pursuit of Villa bandits still in operation and that under its terms General Funston will take any steps necessary to pursue the band which yesterday raided the big Bend country without further instructions.

### ONLY NINE SOLDIERS FOUGHT RAIDERS

El Paso, Texas, May 8.—Over night reports received by General Funston added little to the information regarding the raid by Mexicans Friday night. Late reports indicated that the size of the attacking party was greater than at first believed, some estimates having it as high as 300. The raiders attacked the guard of nine men of Troop A of the 14th Cavalry at Glenn Springs just before midnight. The total number of killed was placed at six, three soldiers and three civilians, two of whom are small boys. After continuing their raid to Deemers and Boquillas, they were reported to have recrossed into Mexico, although some of the military reports indicated that a part of the Mexican force was yet on the American side.

Captain Cole of the 14th cavalry had arrived at Glenn Springs this morning with part of one company, and four troops of cavalry sent from Fort Bliss and Fort Clark are expected to detain early today at Marathon from where the march to the border would be begun. It was not expected that this force would reach the border before Wednesday night and perhaps not before Thursday. The actual distance they will have to march is 115

miles. The additional troops sent into the district will be disposed of in such a way as to give towns better protection, but it was indicated at General Funston's headquarters that fresh efforts would be made to have the war department added to the strength of the forces in the southern department. It is decided to send into Mexico from that part of the international line, a punitive expedition, a much larger force is necessary than is

# FREE COOKING SCHOOL STARTS THIS AFTERNOON

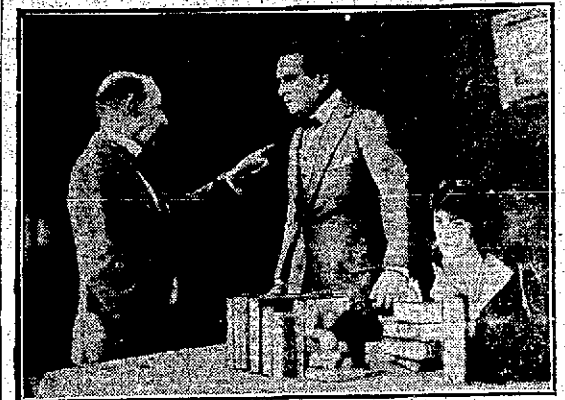

## Gov. Willis Invited To Make Address Here "Fraternal Day"

### REV. E. J. MEACHAM WILL SPEAK TONIGHT

With Rev. E. J. Meacham as the attraction at tonight's meeting of the Sunday School Congress of the First Christian church-Bible school, a packed house is expected. Rev. Meacham, who has been in West Virginia for the past five weeks, arrived in the city today and was immediately booked for a special address of the church tonight. The former pastor of the "church of the cordial welcome" is a special favor-

ite with everybody in this vicinity, and his friends and well-wishers will be out in full force to greet him. His good wife arrived here Sunday and is the guest of Supt. and Mrs. O. M. Howland. All persons interested in the welfare of the Bible school are earnestly requested to be present tonight at 7:30, for Rev. Meacham will have a message that will do one good for weeks and months to come.

DOUGLAS FAIRBANKS AS THE 'LOVER OF PRETTY LORETTA BLAKE' IN HIS PICTURE IN THE PAPERS, LATEST TRIANGLE-FINE ARTS COMEDY.

### Don't Miss This Triangle Program Today

In the Fine Arts-Triangle play, "The Picture in the Papers," it looked easy for Pete Prindle (Douglas Fairbanks) to get his portrait displayed on the front pages of all the New York papers—yes, it looked almost too easy. Here's what the hero actually did before he put through the proposition: Gained a half-interest in his father's firm and was awarded the hand of the girl he loved wrecked an auto and went to the hospital, was thrown out of a train, put out a champion middleweight and fought a losing fight with two husky policemen. At last he won by fighting off a band of yeggmen and saving a train from being wrecked.

To these days of strenuous advertising this comedy is interesting as showing how a man eager to attain notoriety may fall down time after time, only to attain it when he is not looking for it. Fairbanks makes an attractive picture as a lively youth

who prefers a good, juicy beefsteak to the desiccated fads that his rich father exploits through the press. He also has a preference for boxing instead of poring over books, so he gets in bad with his system-loving father. Then he meets the girl of his choice in a restaurant. He meets the father, expecting his congratulations on his engagement to the daughter. He is not ruffled at all when the parent tells him first to get a half interest in his father's business. The elder Prindle happens to be worked up over Pete's derelictions and gives him \$100, with the offer of the partnership on condition that he get his picture in the papers. Then the fun starts.

This is really one of the best "Triangles" so far, and in addition don't forget the "Keystone" comedy, "Better Late Than Never," with Willie Collier and dashing Mac Busch. Seven big interesting reels and all for the small sum of 10 cents.

### Marguerite Clark In A New Play, "Out of the Drifts," At The Lyric Today

The picturesque grandeur of Alpine surroundings forms the background for Marguerite Clark's appearance in a notable Famous Players-Paramount Picture, "Out of the Drifts," a tale of the eternal snows, of avalanches, dizzy heights and yawning chasms. But the battle against the elements is not the only one in which the adorable Famous Players star is pitted against a powerful adversary. She is a simple, unsophisticated little shepherdess, whose innocence and beauty arouse in a disolute visitor at the village, which is her home, the lowest impul-

ses of his nature. But the very ingenuousness which leads her into this trap proves her salvation, for it in turn awakens a sense of shame and repentance in the man, who, as a result, thoroughly changes his mode of life and makes himself worthy of her truest love. Although the environment of "Out of the Drifts" is different from anything in which this star has ever appeared on the screen, it retains the same irresistible charm and the unforgettable personality with which Miss Clark invests every role which she assumes. The shows will start at 1:30, 3, 4:30, 6:30, 8 and 9:30 p. m.

### About "The Battle Cry of Peace"

Mayor Thompson of Chicago writes: "I do not think there is now in existence a stronger plea to the patriotic feelings of our men and women than 'The Battle Cry of Peace.' Commodore Blackton has written a lesson that no true American can fail to heed. He has written himself into the list of America's truly patriotic citizens. I would urge every man, woman and child who can do so, to see 'The Battle Cry of Peace.'"

Bishop Samuel Fallows, of Chicago writes: "A great patriotic lesson taught by a true American patriot, a lesson in preparedness that cannot be improved upon. Every American should see it. It is the greatest argument for preparedness ever conceived."

MISS EMMA HANKO

Today is cake day, and housewives and young ladies of Portsmouth who are interested in cakes should not fail to attend the first of a series of lectures and demonstrations in culinary art, given by Miss Emma Hanko, domestic science expert, who will conduct a Better Home and Better Food school at Kendall hall this week, under the auspices of the Daily Times. There is no charge, and there will be nothing sold.

This afternoon, at two-thirty o'clock, Miss Hanko will give her first lecture, "Food and Its Functions." Not only is Miss Hanko an interesting and entertaining talker, but she is well versed upon all topics pertaining to the cooking art. Her lectures will be profusely illustrated by actual demonstrations and the food prepared will be served to those attending.

Miss Hanko will lay particular stress today upon the building and baking of a cake, and those who like the flaky sweets should not fail to attend. All Miss Hanko asks is that the women come prepared to take notes, if they desire to retain some of the valuable recipes and data which she will give.

## Refrigerator Was Stripped

Two tramps, who had been given something to eat, are believed to have been the persons who completely stripped a back porch refrigerator of its contents at the home of Mrs. Jean B. Kline, No. 644 Fourth street, a few nights ago. Mrs. Kline made the discovery a short time after the tramps had left the premises.

## Red Men To Have Meeting

Mark A. Crawford will leave Tuesday morning for Akron, where he will attend the Grand Council of the Improved Order of Red Men, delegate from the Davis Station council. The convention will convene Tuesday morning and will adjourn Wednesday night.

### At The Arena

"Orders is Orders" is a two-part Victor comedy produced by Frances Ford. It shows the troubles of the policemen with the college boys, who think they own the town. It is one howling complication after another. Featured in this rip-roaring farce are Mina Cunard, Fred Shields, Victor Goss, Edward Clark and Marc Penion. "Lonesomeness" is a Leonille drama featuring Myrtle Gonzalez, Val Paul, Fred Church and Marjorie Lake. It is a story of great heart interest as it applies to everyday life. "Her Invaluable Husband" is an Imp comedy in funny situations with Matt Moore, Jane Gail and Frank Smith.
